Assistant Dean, Continuing Medical Education  
Director, Clinical Addiction Research and  
Education (CARE) Unit  
Director, Safe and Competent Opioid Prescribing  
Education (SCOPE of Pain) Program

**Faculty: Joanna L. Starrels, MD, MS**

Associate Professor of Medicine  
Division of General Internal Medicine  
Albert Einstein College of Medicine &  
Montefiore Medical Center

NYACP, in collaboration with SUNY Downstate and Boston University School of Medicine, is proud to offer this course in response to NYS Public Health Law Section 3309-A, which requires professionals licensed under Title 8 of the NYS Education Law with a valid DEA number and every medical resident prescribing under a hospital or facility DEA number to complete a 3-hour training course covering 8 specific elements.

The first two hours are the highly acclaimed Boston University School of Medicine Safe and Competent Opioid Prescribing Education (SCOPE) Course. The 3rd hour contains the elements required by the New York State law not covered in the SCOPE course.

**The 3-hour course is FREE. There is a \$25 processing fee.**

**Pre-registration is required.** Please provide the information below and **return with payment.** Deadline for reservations or to request refunds due to cancellation (less any processing fees) is **June 15<sup>th</sup>.**

**OF THE NEW YORK CHAPTER AMERICAN COLLEGE OF PHYSICIANS AND  
SUNY DOWNSTATE INVITE YOU TO ATTEND THE FOLLOWING 3-HOUR  
PAIN MANAGEMENT COURSE ...**

**EDUCATIONAL OBJECTIVES:**

**2-HOUR SCOPE SEGMENT:**

- (1) Employ appropriate assessment, monitoring and documentation strategies to meet best practice standards and medico-legal requirements when treating patients with chronic opioid therapy (COT);
- (2) Apply a practical framework for decision-making on the initiation, dosage modification, and discontinuation of opioid analgesics in the treatment of chronic pain;
- (3) Employ consistent practice tools to adequately assess risk in patients being considered for COT and to effectively manage COT;
- (4) Confidently counsel patients and caregivers about the safe use of opioid medications and communicate about the need for close monitoring;
- (5) Effectively communicate with patients whom you suspect may be misusing opioid analgesics; and
- (6) Demonstrate increased understanding of general-and product-specific information of ER/LA opioid analgesics.

**1-HOUR NEW YORK SEGMENT:**

- (1) Summarize the best practices for pharmacologic management of acute pain including potential benefits and risks of opioid analgesics;
- (2) Describe the New York State laws governing the safe prescribing of opioids;
- (3) Communicate with patients about palliative care and end-of-life decisions;
- (4) Appropriately document communication with patients about health care proxies and advance directives and describe the appropriate use of advance care planning CPT codes.

*Physicians: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and New York Chapter, American College of Physicians. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.*

*Boston University School of Medicine designates this enduring material CME activity for a maximum of 3 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*

*ABIM MOC Part 2: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3 MOC point and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.*
