Please indicate payment method: □ Credit Card □ Check
Make your check payable to Research Foundation

Total Amount

Credit Card
We accept the following credit cards: □ Visa □ MC □ Discover

Card # ____________________________
Expiry Date ______________________
Security Code ____________________

Print name as it appears on the card ____________________________

Billing address zip code ________________

Signature

I hereby authorize SUNY Downstate Medical Center to charge my credit card for the amount indicated above. For additional information or questions, please phone 718.270.2422 or e-mail ocme@downstate.edu.

CARD# ____________________________
Expiration Date ______________________

OBJECTIVES
Upon completion of this activity, participants should be able to:
- Learn, develop, and understand ways to assess causes of CKD and ESRD.
- Identify factors that might be playing a role in patients with poor metabolic bone disease and poor phosphorus control and how to improve them.
- Offer patients alternatives to getting a vascular access when all vessels have failed.
- Identify biomarkers that could be potential signals for faster renal disease progression, particularly in diabetics.
- Offer alternatives to RRT apart from dialysis and usual kidney transplantation.

ACCREDITATION & DESIGNATION STATEMENT
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The SUNY Downstate Medical Center designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES
For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

PHYSICIAN ASSISTANTS
AAPA accepts category 1 credit from ACCME.

DISCLOSURE STATEMENT
SUNY Downstate Medical Center Office of CME (OCME) and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. The OCME has established policies that will identify and resolve all conflicts of interest prior to this educational activity. All participat-

SUNY Downstate Medical Center has identified a number of professional practice gaps in knowledge, competence and performance of providers caring for patients with advanced kidney disease. This year’s symposium will change focus and address how providers can best individualize diagnosis and management of renal diseases and renal replacement therapies.

TARGET AUDIENCE
This program is designed to enhance knowledge, competence, and performance of U.S. transplant surgeons, transplant coordinators, nephrologists, nephrology fellows, and other dialysis care providers, in cutting edge topics in kidney transplantation. Also welcome are members of community organizations.

TRENDS
...individualizing diagnosis and management of renal diseases and renal replacement therapies...

TRAVEL DIRECTIONS
http://www.downstate.edu/directions/index.html

By Subway
During rush hour, take the Flatbush Avenue Line (#2 or #5 Lexington Avenue) trains to the Winthrop Street station. Take any Brooklyn-bound train (#2, 3, 4, or 5) to Nevins Street in Brooklyn, changing there for the #2 or #5 marked “Flatbush Avenue.” Note that the #5 runs only during rush hours. Exit at Nostrand and Parkside Avenues. Cross Nostrand Avenue and walk one block on Parkside Avenue to the entrance at 395 Lenox Road.

PARKING
http://www.downstate.edu/directions/parking.html

Valet Parking is available from 6:00 a.m. to 6:00 p.m., located in front of University Hospital at 445 Lenox Road. The fee is $10.00.
