SUNY Downstate Centerwide Food Drive for the victims of Hurricane Sandy

BECAUSE WE’RE ALL IN THIS TOGETHER

The Office of the President calls on campus members to join in a food drive to benefit the victims of Hurricane Sandy. The food drive will be conducted from November 12 – 23, 2012.

In the aftermath of the storm, many families are still without electricity and the means to cook meals or keep foods fresh. Please donate only canned goods and other nonperishable food items. Place your donations in marked bins you will find at the following locations:
