

Curriculum Vitae

WILLIAM MICHAEL McCORMACK

Born: June 10, 1938, Winchester, Massachusetts

1959 B.S. (cum laude), Fordham University

1963 M.D. (summa cum laude), SUNY Downstate Medical Center

1963-64 Intern In Internal Medicine, Bronx Municipal Hospital Center

1964-65 Assistant Resident in Internal Medicine, Columbia Presbyterian Medical Center

1965-68 Epidemic Intelligence Service Officer, Communicable Disease Center; Surgeon, United States Public Health Service

Epidemiology Section, Pakistan-SEATO  
Cholera Research Laboratory, Dacca, East Pakistan

1968-69 Senior Resident in Medicine, Massachusetts General Hospital; Teaching Fellow in Medicine, Harvard Medical School

1969-70 Research Fellow in Medicine, Harvard Medical School

1970-72 Instructor in Medicine, Harvard Medical School

1972-75 Assistant Professor of Medicine, Harvard Medical School

1975-81 Associate Visiting Physician, Boston City Hospital

1975-81 Associate Professor of Medicine, Harvard Medical School

1977-81 Associate in Medicine, Brigham and Women's Hospital

1978-81 Director, Diagnostic Laboratories, State Laboratory Institute, Massachusetts Department of Public Health

1982- Professor of Medicine and of Obstetrics and Gynecology; Chief, Infectious Diseases Division, Department of Medicine, SUNY Health Science Center at Brooklyn

Licenses to Practice Medicine

New York  
Massachusetts  
Rhode Island

Licenses as Laboratory Director

State of New York  
City of New York

Specialty Board Certification

1971                Internal Medicine  
1972                Infectious Diseases

Editorial Activities:

Journals

1974-76    Editorial Board, Journal of The American Venereal Disease  
Association

1976-86    Editor, Sexually Transmitted Diseases

1985-92    Editorial Board, American Journal of Reproductive  
Immunology

1986-      Editor Emeritus, Sexually Transmitted Diseases

Books

1983                Editor, Diagnosis and Treatment of Sexually Transmitted  
Diseases. John Wright-PSG, Littleton, Massachusetts

1983                Co-Editor, Mycoplasma hominis - A Human Pathogen. J.B.  
Lippincott Company, Philadelphia, Pennsylvania

## Memberships in Elective Organizations

1959 Rho Chi Pharmaceutical Honor Society  
1962 Alpha Omega Alpha  
1973 Infectious Diseases Society of America  
1980 American Epidemiological Society  
1981 American Society for Clinical Investigation  
1981 Infectious Diseases Society for Obstetrics and  
Gynecology  
1984 New York Academy of Medicine

## Other Memberships

American Federation for Clinical Research  
American Venereal Disease Association  
International Society for Sexually Transmitted Disease Research  
Sigma Xi  
International Union Against the Venereal Diseases and the  
Treponematoses  
American Society for Microbiology  
International Organization for Mycoplasmaology  
Interstitial Cystitis Association  
New York Society of Tropical Medicine  
The New York Society of Infectious Diseases  
Brooklyn Infectious Diseases Society

## Awards and Honors

### President

American Venereal Disease Association, 1976-1977

### Achievement Award

American Venereal Disease Association, 1979

### Outstanding Service Award

American Venereal Disease Association, 1987

### Alumni Association Achievement Award

Fordham University College of Pharmacy, 1991

### William Dock M.D. Master Teacher Award in Medicine

Alumni Association, State University of New York  
Health Science Center at Brooklyn, 1993

### Community Service Award

Community Advisory Board

University Hospital of Brooklyn, 1994

### Gender Equity Award

Brooklyn Chapter

American Medical Women's Association, 1995

### Councillor

The New York Society of Infectious Diseases, 1995 - 1997  
Thomas Parran Award  
American Sexually Transmitted Diseases Association -1996

Academic Activities

State University of New York  
Health Science Center at Brooklyn

Faculty Practice Plan Negotiating Committee, 1983

Promotions Committee, Department of Medicine, 1982-1991; 1993-

Committee on Educational Policy and Curriculum, 1985-1987  
Chairperson, Subcommittee on Third and Fourth Year Curriculum,  
1986-1987

Director, Clinical Selective in Infectious Disease, 1981-

Director, Academic Selective in Infectious Diseases, 1983-

Chairperson, Ad Hoc Committee for Evaluation of the Department of  
Medicine Curriculum, 1984-1986

Chairperson, Committee on Clinical Care, Institutional Self Study  
on AIDS, 1987-1988

President's Advisory Committee on AIDS, 1988-1991

Faculty Admissions Interview Committee, 1989-1993

Fourth Year Student Advisor, 1989-1992

Planning Committee, AIDS Research Institute, 1991

Admissions Committee, College of Medicine, 1993 -

Faculty Mentor for First Year Students, 1996 -

University Hospital of Brooklyn

Executive Committee, Medical Board, 1986-1989

AIDS Program Committee, 1987-1988

AIDS Task Force, 1986-1989

Acting Medical Director, AIDS Inpatient Unit, 1988-1991

Kings County Hospital Center

Director, Sexually Transmitted Diseases Clinic, 1982-

Director, Austin-Flint Firm, Department of Medicine, 1984-1988

Medical Director, AIDS Team, 1989-1990

HIV Coordinating Committee, 1989-1990

Advisory Groups - Governmental

City of New York

Board of Directors, Sexually Transmitted Diseases Control Bureau,  
1982-1988

U.S. Department of Health and Human Services

Interdepartment Task force on Sexually Transmitted Diseases, 1978

Conference on Preventing Disease/Promoting Health-Objectives for  
the Nation, 1979

U.S. Food and Drug Administration

Review of Proposal for the Production of Ureaplasma urealyticum  
reagents, 1980

National Institutes of Health

Conference on the Problem of the Penicillin-Resistant Gonococcus,  
1976

Program Evaluation of NIAID - Special Emphasis Program on Biology  
of Sexually Transmitted Diseases, 1977

NIAID Study Group for Research and Training in Sexually Transmitted  
Diseases, 1980

Special Study Section to Review Small Business Innovation Research  
Program Applications, 1983

NIAID Workshop on Mycoplasma/VLIA, 1989

Presentation to the Director, NIAID on Mycoplasmas in AIDS, 1991

Centers for Disease Control

Consultant, Venereal Disease Control Division, 1976-1977

Member of panels that advised the Centers for Disease Control on the formulation of the following treatment guidelines:

Gonorrhea - 1974

Syphilis - 1976

Gonorrhea - 1979

Sexually Transmitted Disease - 1982

Sexually Transmitted Disease - 1985

Chlamydia Trachomatis Infections - 1985

Syphilis in HIV-Infected Patients - 1988

Sexually Transmitted Diseases - 1989

Sexually Transmitted Diseases - 1993

Sexually Transmitted Diseases - 1997

Advisory Groups, Nongovernmental

Board of Directors, American Venereal Disease Association, 1975-1981

Advisory Board, Barnard Institute for Medical Research, Barnard College, 1984-1991

American Board of Internal Medicine. Subspecialty Board on Infectious Diseases, 1986-1992

Board of Directors, The International Foundation, 1991-

American Board of Internal Medicine. Chairperson, Self-Evaluation Process Subcommittee, Subspecialty Board on Infectious Diseases, 1992-1995

Medical Committee, Planned Parenthood of New York City, 1993-1994
