The 19th Annual COMPREHENSIVE OBSTETRICS & GYNECOLOGY REVIEW COURSE

May 19-21, 2017
Education Building Alumni Auditorium
SUNY Downstate Medical Center
356 Lenox Road, Brooklyn, New York

Sponsored by the Office of CME
Earn up to 28 hours of AAMI-PRA Category Credits and ACCOG Cognate Credits

Registration online or call for more information: 718-270-2070

Registration online: www.downstate.edu/cme

Conference Description:
This three-day conference will feature a group of highly qualified obstetricians and gynecologists, subspecialists, and clinicians from SUNY Downstate Medical Center as well as national experts. The experts will share their extensive experience to provide the non-clinician attendee with an in depth understanding of the general practice topics included in this intensive course. High-risk obstetrics, gynecologic oncology, endoscopy, endocrinology, infertility, and primary care, will focus on common OB/GYN issues and review practice questions.

Target Audience:
This course is targeted for Obstetricians and Gynecologists, Family Physicians, and Nurse Practitioners. In the past Participants and Obstetricians and Gynecologists have also benefited from this course.

Educational Needs and Objectives:
This conference is designed to address professional practice gaps in knowledge and clinical competence. Expected results are an increase in clinical performance and improved patient outcomes. Based on these desired results, the learning objectives are:
1. Identify and estimate major knowledge issues in gynecological cancers to include screening standards and patient outcomes with respect to surgical intervention and radiation and chemotherapy treatments.
2. Review current guidelines regarding screening for gynecological cancers, including issues of radiology and rectal examination, pelvic examination, and comprehensive cancer screening strategies.
3. Decrease complication rates from diagnostic and surgical procedures, emphasizing prevention of infection, bleeding, and other obstetrical complications to improve patient outcomes.
4. Address common topics in adult gynecology such as dysfunctional uterine bleeding, pelvic inflammatory disease, abnormal bleeding, sexually transmitted disease, and menopause.
5. Decrease major surgical complications and their consequences. It is anticipated that a major emphasis will be placed on perioperative care issues.
6. Decrease cost associated with high-risk obstetric complications.
7. Decrease maternal mortality and morbidity.
8. Improve assessment and management of the patient with cancer.
9. Improve diagnostic and therapeutic outcomes related to common gynecological and obstetrical conditions.
10. Decrease complications associated with diagnosis and treatment of gynecological and obstetrical complications.

Accreditation:
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. SUNY Downstate Medical Center designates this live activity for a maximum of 28 PRA Category I Credits. Physicians who successfully complete this course will be provided with a Certificate of Participation.

For Further Information/Registration:
Please contact Taiylia Bland, Phone 718-270-2070 or Taiylia.Bland@downstate.edu.

PARKING:
Parking is valid from the event day on-site at the 356 Lenox Road Hospital location. The parking fee is $35 for 24 hours. Parking permits are available until 9:30 a.m. Day of the event. Saturday and Sunday parking is also available. For more information, please visit: www.downstate.edu/parking.
The 19th Annual COMPREHENSIVE OBSTETRICS & GYNECOLOGY REVIEW COURSE

May 19-21, 2017
Education Building Alumni Auditorium
SUNY Downstate Medical Center
395 Lenox Road, Brooklyn, New York

Sponsored by the Office of CME
Earn up to 28 hours of AAMA-PRA Category II credits and ACCOG Cognate Credits

CONFERENCE DESCRIPTION
This three-day conference will feature a group of highly qualified obstetricians and gynecologists, educators, and clinicians from SUNY Downstate Medical Center as well as national experts. The experts will use their extensive experience to present the current scientific literature and clinical data that impact the practice of obstetrics and gynecology. The topics included in this intensive course are high-risk obstetrics, genetics, endocrinology, obstetric emergencies, and primary care. Workshop will focus on common OB/GYN issues.

TARGET AUDIENCE
This course is for obstetricians and gynecologists, Family Practitioners, and Nurse Practitioners. In the last previous program and CME review. The conference will be held on-site at the SUNY Downstate Medical Center.

EDUCATIONAL NEEDS AND OBJECTIVES
This conference is designed to extend professionals practice gains in knowledge and clinical competence. Expected results are an increase in clinical performance and improved patient outcome. Based on these desired results, the learning objectives are:

1. Identify and evaluate key management issues in gynecologic cancers to enhance and improve patient outcomes with respect to surgical management and radiation and chemotherapy treatments.
2. To review current guidelines regarding screening for gynecologic malignancies, including most recent data and recommendations.
3. To discuss the latest advances in minimally invasive and laparoscopic surgery for obstetrics and gynecology.
4. To discuss the management of complications of pregnancy and delivery, including associated maternal and newborn outcomes.
5. To discuss the latest advances in the management of common obstetric and gynecologic conditions.
6. To provide updated information on the latest research and medical breakthroughs in the field of obstetrics and gynecology.

ACCREDITATION:
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

SUNY Downstate Medical Center designates this live activity for a maximum of 28 category II Credits. Physicians who successfully complete and submit the post-course evaluation will be issued a certificate of participation. The certificate is dated May 19-21, 2017.

The American College of Obstetricians and Gynecologists has assigned 28 CME credits to this program.

DISCLOSURE STATEMENT:
SUNY Downstate Medical Center, its faculty of CMG, ACCOG, and its affiliates are committed to providing educational activities that are balanced, objective, and free of bias as possible. The CME Council has established policies that will identify and resolve all conflicts of interest pertinent to the educational activity. All participants listed are expected to disclose to the audience, verbally or in writing, any disclosing information that might potentially influence the content of the presentation. The policy is intended to promote full disclosure to the audience, thereby allowing attendees to make fully informed decisions regarding their professional activities. The CME Council encourages the disclosure of relevant financial relationships of all individuals in a position to control the content of a CME activity. The CME Council has implemented a CME activity Evaluation and Feedback Form to address and eliminate any unbalanced, non-peer-reviewed use of drugs and devices. The results of this process will be made widely available writing in the program.

ADA STATEMENT
Pregnant women, in accordance with the American with Disabilities Act, will be made aware if the conference accessibility is offered. If you, or a disability who might require special accommodations, please contact Tel 718-270-2070 at least 4 weeks prior to the conference.

PARKING
NOW AVAILABLE:
Parking (day-long) is available at the parking lot located at the entrance of the medical center. Please note that parking fees will be $3.95 for the day. The parking lot is open from 7:00 AM to 8:00 PM. For more information, please contact the CME office at 718-270-2070.
