Comprehensive Eye Care with a Surgical Focus on Cornea, Cataracts and Pediatric Ophthalmology
**SPECIALTIES:** Pediatric Ophthalmology and Adult and Pediatric Strabismus

Dr. Fecarotta is an Assistant Professor with the Department of Ophthalmology at SUNY Downstate. He received his medical degree from SUNY Upstate Medical University, his residency training in ophthalmology at Wills Eye Institute/Thomas Jefferson University, and completed a fellowship in pediatric ophthalmology and strabismus at Indiana University. He joined our practice from the Nemours/Alfred I. duPont Hospital for Children in Wilmington. He is responsible for resident education and clinical research in his specialty. Dr. Fecarotta performs strabismus, pediatric cataract and pediatric glaucoma surgeries, and manages retinopathy of prematurity and amblyopia.
