Retrieve Password

To request your password, please enter your username and your associated e-mail address in the boxes below and click **Request Password**. Your password will be sent to the e-mail address associated with your username. If you have forgotten your username, please call the CAQH Provider Helpdesk.

CAQH Provider Helpdesk:
888-599-1771

Note: You can use either upper or lower case letters to fill the information below.

Username:

E-mail address:

Obtain NPPES User ID

- To enroll in Medicare online all providers will need to obtain their NPI user id and password.

To obtain the NPI User ID:

1. Contact the NPI Enumerator at (800) 465-3203 and request the provider user ID.
2. Once the provider user ID has been requested, request the NPI password be reset as well. The NPI password cannot be reset without the user ID.

Obtain NPPES User ID

- Go the NPPES website and click on the “Reset Forgotten Password” button.
