DEPARTMENT OF PSYCHIATRY GRAND ROUNDS NOTICE

WEDNESDAY, 1:00 - 2:30 PM, Lecture Hall 1, BSB

February 1 - 22, 2017

Target Audience:
Psychiatric physicians, residents, psychologists, nurse practitioners, social workers, occupational and recreational therapists, medical students, trainees and those who provide services to the mentally ill.

February 1, 2017

12:30 – 2:00 PM Auditorium (For This Session Only)

Presenter: Harris Huberman MD, MPH
Assistant Clinical Professor
Director, Division of Child Development
Department of Pediatrics, SUNY Downstate Medical Center

(Disclosure: Dr. Huberman has no relevant financial disclosure.)

Topic: Autism Spectrum Disorders and the Social Brain*

Learning Objectives: The participant will have a better understanding of:

1. The heterogeneous clinical picture and expected developmental course of Autism Spectrum Disorder.
2. The ‘social brain’ mechanisms thought to underlie the Autism Spectrum Disorders.
3. The range of current treatments and interventions and implications for intervention studies.
February 8, 2017

Presenter: Jeffrey Chang, MD
4th Year Psychiatry Resident
SUNY Downstate Medical Center

(Disclosure: Dr. Chang has no relevant financial disclosure.)

Topic: The Impact of Technology on Outpatient Psychiatric Care

Learning Objectives: 1. To address emerging technologies and their integration into outpatient psychiatric care. 2. Discuss the impact of these technologies on existing institutions and psychiatric disciplines.

Presenter: Marla Hidalgo, MD
4th Year Psychiatry Resident
SUNY Downstate Medical Center

(Disclosure: Dr. Hidalgo has no relevant financial disclosure.)

Topic: Adherence and insight into the Need for Medication in Schizophrenia: Background and Data from Antipsychotic Clinical Trial Participants.

Learning Objectives: 1) To appreciate the role of patient insight with regard to nonadherence in the treatment of patients with Schizophrenia. 2. To describe the role of insight as assessed by analysis of data from the PROACTIVE study. 3. To discuss clinical implications of the relationship between patient insight and treatment nonadherence.
February 15, 2017

Presenter: Ramaswamy Viswanathan, MD, DMSc

Director, Consultation – Liaison Psychiatry
SUNY Downstate Medical Center

(Disclosure: Dr. Viswanathan has no relevant financial disclosure)

Yi-Chun Lee, MD

Director, Division of Gynecologic Oncology &
Gynecologic Oncology Fellowship Program
SUNY Downstate Medical Center

(Disclosure: Dr. Lee has no relevant financial disclosure)

Topic: Minority Women with Gynecologic Cancers: Treatment Adherence and Relationship to Locus of Control

Learning Objectives: 1) Appreciate the importance of treatment adherence in cancer prognosis.

2) Learn about the concept of locus of control.

3) Learn how locus of control and other psychosocial variables may be related to gynecologic cancer treatment adherence in a minority patient population that we serve.

(This presentation is commemorative of Black History Month)

February 22, 2016

Presenter: Maninder Bhutani, MD

4th Year Psychiatry Resident
SUNY Downstate Medical Center

(Dr. Bhutani has no relevant disclosures)
Topic: Cabergoline in the Treatment of Risperidone-Induced Hyperprolactinemia

Objectives:
1) Pathology of drug-induced hyperprolactinemia.
2) Possible management of hyperprolactinemia.
3) Future direction.

Presenter: Lila Aboueid, MD
4th Year Psychiatry Resident
SUNY Downstate Medical Center
(Dr. Aboueid has no relevant disclosures)

Topic: Electroconvulsive Therapy in Adolescents: Overview and Future Directions

Objectives:
1) Discuss current practice guidelines based on previous clinical trials.
2) Highlight obstacles to ECT usage and future directions of its use.

Off Label Drugs Device Usage: *may touch on on- and off-label antipsychotic medications, as well as explorations of folinic acid.

Accreditation Statement:
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement:
SUNY Downstate Medical Center designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement:
SUNY Downstate Medical Center Office of CME (OCME) and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. The OCME has established policies that will identify and resolve all conflicts of interest prior to this educational activity. All participating faculty are expected to disclose to the audience, verbally or in writing, any commercial relationships that might be perceived as a real or apparent conflict of interest related to the content of their presentations, and unlabeled/unapproved uses of drugs and devices. Detailed disclosures will be made verbally and/or in writing during the program.

**ADA Statement:**
Special Needs: In accordance with the American with Disabilities Act, SUNY Downstate Medical Center seeks to make this conference accessible to all. If you have a disability which might require special accommodations, please contact Barbara Singh at 718-270-1750 or email your needs to: barbara.singh@downstate.edu.
