DEPARTMENT OF PSYCHIATRY GRAND ROUNDS NOTICE

WEDNESDAY, 1:00 - 2:30 PM, Lecture Hall 1, BSB

December 7 – 28, 2016

Target Audience:
Psychiatric physicians, residents, psychologists, nurse practitioners, social workers, occupational and recreational therapists, medical students, trainees and those who provide services to the mentally ill.

December 7, 2016

Presenter: Ravi N. Shah, MD, MBA
Assistant Professor of Psychiatry, Columbia University Medical Center
Medical Director, Valera Health
(Disclosure: Valera Health has an ongoing contract with Montefiore Medical Center using technology to enhance collaborative care integration in primary care clinics.)

Topic: Collaborative Care: The Future of Population Health

Learning Objectives:
1. Describe the core features of the collaborative care model.
2. Understand the evidence base for collaborative care in improving psychiatric and physical health outcomes.
3. Understand the role of collaborative care in population health.

December 14, 2016

Presenter: Carol A. Bernstein, MD
Associate Professor of Psychiatry
Vice Chair for Education and Director of Residency Training
New York University School of Medicine
Past President, American Psychiatric Association
(Disclosure: Dr. Bernstein has no relevant financial disclosure.)

Topic: Physician Well Being: Challenges and Opportunities
Learning Objectives:
1. Have a greater understanding of the nature and extent of depression and burnout as they affect physicians across the life span of their careers.
2. Have an awareness of potential strategies to address these issues, including the important distinctions between burnout issues in the workplace and depression and other medical conditions which may worsen as a result of pressures in the learning environment.
3. Have an understanding of the different approaches to the problem both at the individual and systemic level and an increased awareness about how the ACGME and other medical educational organizations plan to collaborate to address the challenges.

December 21, 2016
Presenter: Jon S. Berlin, MD, DLFAPA
Associate Clinical Professor, Psychiatry & Emergency Medicine
Medical College of Wisconsin
Past President, American Association for Emergency Psychiatry (AAEP)
Disclosure: Dr. Berlin has no relevant financial disclosures)
(We are grateful to AAEP for supporting this presentation)

Topic: The Clinical Interview in Psychiatric Emergency Practice

Learning Objectives:
1) Increase one's appreciation for the potential value of the clinical interview in the psychiatric emergency setting.
2) Increase one's understanding of the role that the clinician-patient relationship plays in risk assessment and management.

December 28, 2016 No Grand Rounds
Off Label Drugs Device Usage: None

**Accreditation Statement:**
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit Designation Statement:**
SUNY Downstate Medical Center designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure Statement:**
SUNY Downstate Medical Center Office of CME (OCME) and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. The OCME has established policies that will identify and resolve all conflicts of interest prior to this educational activity. All participating faculty are expected to disclose to the audience, verbally or in writing, any commercial relationships that might be perceived as a real or apparent conflict of interest related to the content of their presentations, and unlabeled/unapproved uses of drugs and devices. Detailed disclosures will be made verbally and/or in writing during the program.

**ADA Statement:**
Special Needs: In accordance with the American with Disabilities Act, SUNY Downstate Medical Center seeks to make this conference accessible to all. If you have a disability which might require special accommodations, please contact Barbara Singh at 718-270-1750 or email your needs to: barbara.singh@downstate.edu.
