DEPARTMENT OF PSYCHIATRY GRAND ROUNDS NOTICE

WEDNESDAY, 1:00 - 2:30 P.M., Lecture Hall 1, BSB

October 1, 2014 – October 29, 2014

Target Audience:
Psychiatric physicians, residents, psychologists, nurse practitioners, social workers, occupational and recreational therapists, medical students, trainees and those who provide services to the mentally ill.

October 1, 2014  Ann Marie T. Sullivan, M.D.
Commissioner
New York State Office of Mental Health
(Disclosure: None)

Topic:  Healthcare Reform and the Transformation of the NY State Public Mental Health System

Learning Objectives:  1) Understand changes in mental health as they relate to changes to the federal and state level.
2) How providers and practitioners will modify the practice as how they relate to these changes.

October 8, 2014  J. Russell Ramsay, Ph.D.
Associate Professor of Clinical Psychology in Psychiatry
University of Pennsylvania Perelman School of Medicine
Philadelphia, PA
(Disclosure: 1. Research consultant with Shire Pharmaceuticals
2. Faculty in CME activity by CME Institute of Physicians Postgraduate Press, Inc. that was funded in part by an educational grant from Shire Pharmaceuticals).

Topic:  CBT for Adult ADHD: Motivational Enhancement Strategies

Learning Objectives:  At the end of this lecture, attendees will be able to:
1) Summarize the executive dysfunction/reward deficiency model of ADHD.
2) Cite the most common cognitive distortion that is involved in procrastination among adults with ADHD and a cognitive modification intervention with which to address it.
October 15, 2014  
Rob Rutledge, MD  
Oncologist, Associate Professor of Medicine  
Dalhousie University, Halifax, Canada  
(Disclosure: None)

Topic:  
Professional Caregiver Health: Taking Care of “Us”

Learning Objectives:  
1) To raise awareness and risk factors of burnout in healthcare providers.  
2) To increase resilience through health self-assessment tools and practical exercises.  
3) To facilitate an open conversation about professional caregiver health.

October 22, 2014  
Paul A. Lombardo, PhD, JD  
Bobby Lee Cook Professor of Law  
Georgia State University College of Law  
Atlanta, GA  
(Disclosure – None)

Topic:  
Law, Mental Health and Eugenics: The Legacy of Buck v. Bell

Learning Objectives:  
1) Participants will understand the role of prominent mental health experts in the American Eugenics Movement.  
2) Participants will appreciate the significance of the 1927 US Supreme Court case of Buck v. Bell in the history of mental health law.

Note:  
This lecture is co-sponsored by the John Conley Division of Medical Ethics & Humanities, SUNY Downstate Medical Center.

October 29, 2014  
Shadi Nahvi, MD, MS  
Assistant Professor  
Departments of Medicine, and Psychiatry & Behavioral Sciences  
Albert Einstein College of Medicine  
Bronx, NY  
(Disclosure – No pharmaceutical funding or other conflicts of interest to declare; I do receive grant funding from the NIH)

Topic:  
Evidence-based smoking cessation treatment: How can we help the remaining smokers to quit?

Learning Objectives:  
1) To review the evidence base for smoking cessation pharmacotherapy.  
2) To apply evidence-based smoking cessation treatments to opioid-dependent smokers.
Commercial Support:
None

Off Label Drugs Device Usage:
Session on October 29, 2014: Will discuss use of nicotine replacement therapy prior to target quit date.

Accreditation Statement:
The State University of New York (SUNY) Downstate Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
SUNY Downstate Medical Center designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement
SUNY Downstate Medical Center Office of CME (OCME) and its affiliates are committed to providing educational activities that are objective, balanced and as free of bias as possible. The OCME has established policies that will identify and resolve all conflicts of interest prior to this educational activity. All participating faculty are expected to disclose to the audience, verbally or in writing, any commercial relationships that might be perceived as a real or apparent conflict of interest related to the content of their presentations, and unlabeled/unapproved uses of drugs and devices. Detailed disclosures will be made verbally and/or in writing during the program.
