

# Register Today!

Do you need a kidney transplant? Or do you have a family member or friend who needs one? This workshop is for you! While it can be difficult to ask someone to consider donating a kidney, this workshop helps you to do so. In this interactive workshop, you will learn the best, most effective strategies for finding a living donor.

This free 4-hour course teaches each kidney patient on the course how to help their families and friends how

- Find potential living donor
- Educate family and friends about living donor transplant
- Tell your story through social media outlets and other channels

**Lunch will be served.**

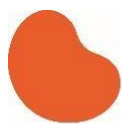

**395 Lenox Road  
Brooklyn, NY 11203  
Classroom 1-A**

**Register for the  
workshop at:**
