The Prove It to Move It Program

Workers' compensation law (WCL) requires the heads of all municipal and state entities to ensure that businesses applying for permits, licenses, or contracts carry workers' compensation and disability benefits insurance. This requirement applies to both original issuances and renewals, whether the governmental agency is having the work done or is simply issuing the permit, license or contract.

Verification of insurance is necessary to ensure benefits are available, should workers get injured. It also levels the playing field for honest businesses, because they are less likely to be undercut by unscrupulous employers who gain a cost advantage by not carrying insurance. Enforcing these provisions of the law contribute to the betterment of New York's economic climate. Municipal and state agency cooperation is a critical component of encouraging business compliance.

This instruction manual, *Prove It to Move It*, will further clarify the requirements. Under the Prove It to Move It program, applicants must prove compliance with NYS workers' compensation and disability benefits requirements to move their government permit, license or contract along the approval process. This program reflects requirements under Workers' Compensation Law §57 and §220(8), and General Municipal Law §125. **The *Prove It to Move It* instruction manual formally names the program that has been in place, by statute, since 1922. Nothing has changed in enforcing this program since the last instruction manual was issued in December, 2008.** However, based on requests from government agencies, this manual reflects more comprehensive instructions on the program's requirements.

Government officials without access to the web may call (518) 486-6307 to have a copy of this instruction manual mailed to them.

Also included in the instruction manual is a copy of General Municipal Law Section 125, which requires all applicants to provide proof of workers' compensation compliance when applying for a Building Permit.

Form CE-200 – Affidavit of Exemption

Form [CE-200](#) reflects the process for granting exemptions from workers' compensation and disability benefits insurance coverage requirements.

Applicants eligible for exemptions must file a new CE-200 **for each and every new or renewed permit, license or contract** issued by a government agency. Each CE-200 will specifically list the issuing government agency and the specific type of permit, license or contract requested by the applicant. Applicants for building permits will also need to supply additional information including identifying the specific job location and the estimated cost of the project.

Please ensure that Form CE-200 is signed and dated by the applicant and that your specific governmental agency is listed. **CE-200 forms are ONLY valid for the government agency listed on Form CE-200.**

The reason that a business is exempt from workers' compensation and/or disability benefits will be clearly stated on Form CE-200. Based on their knowledge of the applicant's business, government agencies must verify that the business is eligible for the workers' compensation and/or disability benefits exemption reason described on the CE-200, and notify the Board's investigative staff if there are discrepancies. Phone numbers for Board investigative staff are located on page 11 of the instruction manual.

Each CE-200 will have a certificate number printed on it. You can verify if the CE-200 provided to you by the applicant was actually issued by the Workers' Compensation Board's computer system by checking on the Board's website at the following URL:
http://www.wcb.state.ny.us/content/ebiz/wc_db_exemptions/verifyCE200Overview.jsp .

The majority of CE-200 forms will be processed electronically. Applicants will be able to fill out the CE-200 on-line and upon completion, immediately print out a copy of the CE-200 that they will then submit. Computers with internet access are available for CE-200 electronic application processing at Customer Service Centers located in Workers' Compensation Board Offices across the state. Applicants without access to a computer may obtain a paper application by writing or visiting any Workers' Compensation Board district office, or by calling 866-298-7830. **Applicants are strongly encouraged to use the Board's electronic web program. They can receive their Form CE-200 immediately, whereas manual paper filing may take up to four weeks to process.**

Please see pages 13-14 for more information on Form CE-200.

Other Important Highlights of the Prove It to Move It Program

An instruction sheet on page 6 of the instruction manual may be copied by municipal and state agencies as an insert in their application packages for government issued permits, licenses or contracts. This sheet describes all the required forms of this program and where applicants may obtain these forms.

Please note that ACORD forms are not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

This manual identifies the specific forms that government agencies can accept to enforce these sections of the Workers' Compensation Law and where applicants may obtain those forms. **No other forms are acceptable as proof of compliance** with New York State workers' compensation or disability benefits.

Please ensure that the legal entity name and the Federal Employer Identification Number (FEIN) on certificates of insurance, self-insurance, or attestation for exemption exactly matches the legal entity name and FEIN of the applicant applying for the permit, license or contract that you are issuing.

[Form BP-1](#), found on page 33, is the only form that municipal and state agencies may now reproduce themselves and distribute as part of this process.

Please notify the permit-issuing, license-issuing and contract-making agencies or departments within your jurisdiction of these requirements so that they may comply with the Workers' Compensation Law. If you have any questions or require additional information, please call the Board at (518) 486-6307.

Workers' Compensation Requirements under Workers' Compensation Law §57

To comply with coverage provisions of the Workers' Compensation Law (WCL), businesses must:

- a) be legally exempt from obtaining workers' compensation insurance coverage; or
- b) obtain such coverage from insurance carriers; or
- c) be a Board-approved self-insured employer; or
- d) participate in an authorized group self-insurance plan.

To assist State and municipal entities in enforcing WCL Section 57, businesses requesting permits or seeking to enter into contracts **MUST provide ONE** of the following forms to the government entity issuing the permit or entering into a contract:

A) Form [CE-200](#), *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage*;

Form CE-200 can be filled out electronically on the Board's website, www.wcb.state.ny.us. Click on the last button in the lower right hand corner {WC/DB Exemptions Form CE-200 (In bright yellow letters)} Applicants filing electronically are able to print a finished Form CE-200 immediately upon completion of the electronic application. Applicants without access to a computer may obtain a paper application for the CE-200 by writing or visiting the Customer Service Center at any district office of the Workers' Compensation Board. Applicants using the manual process may wait up to four weeks before receiving a CE-200. Once the applicant receives the CE-200, the applicant can then submit that CE-200 to the government agency from which he/she is getting the permit, license or contract; or

B) Form [C-105.2](#), *Certificate of Workers' Compensation Insurance* (the business's insurance carrier will send this form to the government entity upon request). **Please Note:** The State Insurance Fund provides its own version of this form, the U-26.3; or

C) Form [SI-12](#), *Certificate of Workers' Compensation Self-Insurance* (the business calls the Board's Self-Insurance Office at 518-402-0247), or [GSI-105.2](#), *Certificate of Participation in Worker's Compensation Group Self-Insurance* (the business's Group Self-Insurance Administrator will send this form to the government entity upon request).

Disability Benefits Requirements under Workers' Compensation Law §220(8)

To comply with coverage provisions of the WCL regarding disability benefits, businesses may:

- a) be legally exempt from obtaining disability benefits insurance coverage; or
- b) obtain such coverage from insurance carriers; or
- c) be a Board-approved self-insured employer.

Accordingly, to assist State and municipal entities in enforcing WCL Section 220(8), businesses requesting permits or seeking to enter into contracts **must** provide one of the following forms to the entity issuing the permit or entering into a contract:

A) [CE-200](#), *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage* (see above);

B) [DB-120.1](#), *Certificate of Disability Benefits Insurance* (the business's insurance carrier will send this form to the government entity upon request); **or**

C) [DB-155](#), *Certificate of Disability Benefits Self-Insurance* (the business calls the Board's Self-Insurance Office at 518-402-0247).

NYS Agencies Acceptable Proof: Letter from the NYS Department of Civil Service indicating the applicant is a New York State government agency covered for workers' compensation under Section 88-c of the Workers' Compensation Law and exempt from NYS disability benefits.

Please note that **for building permits only**, certain homeowners of 1, 2, 3 or 4 family owner-occupied residences serving as their own General Contractor may be eligible to file Form [BP-1](#) (The homeowner obtains this form from either the Building Department or on the Board's website, <http://www.wcb.state.ny.us/content/main/forms/bp-1.pdf>)

- It is part of the responsibilities of public protection and levels business playing field.

4. What happens if an employer is supposed to have this coverage and doesn't?

- Employer usually is personally liable for full compensation and medical claim payments; penalties; administrative expenses; and possible criminal charges.

New York State Agencies Acceptable Proof: A letter from the Dept. of Civil Service indicating the applicant is a New York state government agency covered for workers' compensation under Section 88-c of the Workers' Compensation Law and exempt from disability benefits is acceptable proof.

6. Do out-of-state employers need specific NYS workers' compensation coverage if they have any employees working in New York State?

Yes, An employer has a full, statutory NYS workers' compensation insurance policy when New York is listed in Item 3A on the Information Page of the employer's workers' compensation insurance policy.

Disability benefits coverage is required if the business employs individuals in NYS for more than 30 days in a calendar year.

7. *Does a general contractor hiring subcontractors need coverage?*

Yes. To obtain a permit, contract or license from a government agency, general contractors **must** carry a workers' compensation insurance policy if they are hiring subcontractors.

8. *Are homeowners required to submit proof of workers' compensation insurance prior to the homeowner receiving a building permit? (Chapter 439 of the Laws of 1998 -- General Municipal Law Chapter 125)*

For homeowners of a 1, 2, 3, or 4 family, owner-occupied residence, proof of their exemption from the mandatory coverage provisions of the workers' compensation law when applying for a building permit is to file a form BP-1.

- Form BP-1 shall be filed if the homeowner of a 1, 2, 3 or 4 family, owner-occupied Residence is listed as the general contractor on the building permit, and the homeowner:
 - ♦ is performing all the work for which the building permit was issued him/herself,
 - ♦ is not hiring, paying or compensating in any way, the individual(s) that is(are) performing all the work for which the building permit was issued or helping the homeowner perform such work, or
 - ♦ has a homeowner's insurance policy that is currently in effect and covers the property for which the building permit was issued AND the homeowner is hiring or paying individuals a total of less than 40 hours per week (total hours for all paid individuals on the jobsite) for the work for which the building permit was issued.
- If the homeowner of a 1, 2, 3 or 4 family, owner-occupied residence is hiring or paying individuals a total of 40 hours or MORE in any week (total hours for all paid individuals on the jobsite) for the work for which the building permit was issued, or is constructing his/her own personal primary/secondary residence (new construction) then the homeowner may not file the "Affidavit of Exemption" form, BP-1, but shall either:
 - ♦ acquire appropriate workers' compensation coverage and provide, to the government entity issuing the building permit, appropriate proof of that coverage, on forms C-105.2 or U-26.3, OR
 - ♦ have the general contractor working on the 1, 2, 3 or 4 family, owner-occupied residence (including condominiums) listed on the building permit) provide appropriate proof of workers' compensation coverage, or proof of exemption from that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit.

9. *What is a municipal or state employee's personal liability if he or she forgets to get proof of this coverage?*

No direct liability under Section 57 for payment of no-insurance claims. However, nothing precludes an injured individual from filing a direct lawsuit for failure to perform public responsibilities.

10. What is the municipal or state agency's liability if municipal or state employees forget to get proof of these coverages?

No liability under Section 57 for payment of no-insurance claims. However, nothing precludes an injured individual from filing a direct lawsuit for failure to perform public responsibilities. **Please note:** if the municipality or State agency is directly hiring independent contractors or subcontractors, to avoid workers' compensation liability, the government entity should always require that the independent contractors or subcontractors have a workers' compensation insurance policy.

Identifying an Independent Contractor

The following are factors that a workers' compensation law judge will consider to determine whether an individual is an independent contractor, and thus not an employee:

1. Obtain a Federal Employer Identification Number from the Federal Internal Revenue Service (IRS) or have filed business or self-employment income tax returns with the IRS based on work or service performed the previous calendar year;
2. Maintain a separate business establishment from the hiring business;
3. Perform work that is different than the primary work of the hiring business and perform work for other businesses;
4. Operate under a **specific** contract, and is responsible for satisfactory performance of work and is subject to profit or loss in performing the specific work under such contract, and be in a position to succeed or fail if the business's expenses exceed income.
5. Obtain a liability insurance policy (and if appropriate, workers' compensation and disability benefits insurance policies) under its own legal business name and federal employer identification number;
6. Have recurring business liabilities and obligations;
7. If it has business cards or advertises, the materials must publicize itself, not another entity;
8. Provide all equipment and materials necessary to fulfill the contract;
9. Control the time and manner in which the work is to be done; and
10. The individual works under his/her own operating permit, contract or authority.

Special Note for the Trucking Industry: To be considered an independent contractor, drivers must also be transporting goods under both their own bill of lading and Department of Transportation Number.

When Coverage Can or Cannot be Required: A business cannot require employees working for that business to obtain their own workers' compensation insurance policy or contribute towards a workers' compensation insurance policy (WCL §31, 32 and 32-a). Independent contractors may be required to maintain their own workers' compensation insurance policy if they intend to work for other businesses. For proper risk management and to ensure that its insurance premiums are as low as possible, a business that hires independent contractors should require those independent contractors to provide proof of their own workers' compensation insurance policies prior to commencing work (see [C-105.2](#), [U-26.3](#), [GSI-105.2](#) and [SI-12](#)).

Therefore, a business may require an independent business that has its own employees to obtain a workers' compensation insurance policy if the independent business is working as a subcontractor. (An independent business usually has characteristics such as media advertising, commercial telephone listing, business cards, business stationary or forms, its own Federal Employer Identification Number (FEIN), working under its own permits or operating authority, business insurance (liability & WC), and/or maintaining a separate establishment. The independent business has a significant investment in facilities and means of performing work.)

For example, if Business A contracts with Business B to perform services and Business B is an independent business with its own employees, Business A can require Business B to have its own workers' compensation insurance policy and obtain a certificate of insurance for this policy. This will

help ensure that Business A's workers' compensation premiums are as low as possible and shield business A from liability under the Workers' Compensation Law.

Only the Board, in its adjudicatory function, is authorized to determine entitlement to benefits, based on the specific facts of a case and its application of the law.

Workers' Compensation and Disability Benefits Coverage Requirements for Members of Religious Organizations

If an enterprise is not owned by a religious organization itself, but instead is owned by an individual, partnership, corporation etc., then the enterprise must abide by the regular New York State coverage requirements for workers' compensation and disability benefits insurance.

In other words, if someone owns a business, it doesn't matter if he/she is Amish, Buddhist, Catholic, Christian Scientist, Hindu, Jehovah Witness, Jewish, Mennonite, Mormon, Muslim, Protestant, or a member of any other religion: regular New York State coverage requirements for workers' compensation and disability benefits insurance apply to that business. Further, the private business is **not** covered by either the church's insurance or a declaration by the church that its members are self-insured.

Workers' Compensation Coverage Requirements for Religious Organizations

Workers' compensation insurance coverage is not required for a religious organization that only pays its clergy (including sextons), and/or teachers, and/or individuals providing non-manual labor.

To be exempt, clergy must only perform religious duties, and the teachers must only perform teaching duties. Manual labor includes, but is not limited to, tasks such as filing; carrying materials (e.g., pamphlets, binders, or books); cleaning such as dusting or vacuuming; playing musical instruments; moving furniture; shoveling snow; mowing lawns; and construction of any sort.

Workers' compensation insurance is also not required for people receiving charitable aid from a religious or charitable institution (Section 501(c)(3) under the IRS tax code) who perform work in return for that aid and who are not under any express contract of hire, and certain persons receiving rehabilitation services in a sheltered workshop.

A religious organization is a nonprofit (Section 501(c)(3) under the IRS tax code) and as such does not require New York State workers' compensation insurance coverage as long as its members are volunteering their services on activities or enterprises that benefit only that religious organization. For example, volunteering in a religiously owned store – a store owned by the religious community itself, NOT someone who is a member of that religion. Another example is parishioners volunteering their services to build a picnic shelter for their church.

Volunteers cannot receive compensation including stipends, room and board, and other "perks" that have monetary value. Money used solely to offset expenses incurred while performing activities for the nonprofit is not counted as stipends.

A religious organization that meets these exemption requirements can obtain a government issued permit, license or contract by completing and submitting form CE-200. If a religious organization does not meet the exemption requirements, it must provide proof of coverage on the approved forms in this manual.

STATE & MUNICIPAL AGENCY COMPLIANCE WITH WCL §57

Section 57: Restriction on Issue of Permits and the Entering of Contracts unless Compensation Is Secured

Section 57 of the WCL requires the heads of all state and municipal entities, prior to issuing any permits, licenses or entering into contracts, to ensure that businesses applying for those permits, licenses or entering into contracts have appropriate workers' compensation insurance coverage. This requirement applies to both original issuances and renewals, whether the governmental agency is having the work done or is simply issuing the permit, license or contract.

To comply with coverage provisions of the WCL, businesses must:

- a) be legally exempt from obtaining workers' compensation insurance coverage; or
- b) obtain such coverage from insurance carriers; or
- c) be a Board-approved self-insured employer
- d) participate in an authorized group self-insurance plan.

To assist state and municipal entities in enforcing WCL Section 57, businesses requesting permits or seeking to enter into contracts **must** provide one of the following forms to the government entity issuing the permit or entering into a contract:

- a) [CE-200](#), *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage*;
- b) [C-105.2](#), *Certificate of Workers' Compensation Insurance*. An insurance carrier will send this form to the government entity upon request. **NOTE:** The State Insurance Fund provides its own version of this form, the [U-26.3](#); or
- c) [SI-12](#), *Certificate of Workers' Compensation Self-Insurance* (the business calls the Board's Self-Insurance Office at 518-402-0247), **or** [GSI-105.2](#), *Certificate of Participation in Workers' Compensation Group Self-Insurance*. A group self-insurance administrator will send this form to the government entity upon request.
- d) Letter from the NYS Department of Civil Service indicating the applicant is a New York State government agency covered for workers' compensation under Section 88-c of the WCL.

Please note: ACORD forms are **not** acceptable proof of workers' compensation coverage.

Instructions for Form CE-200 (12/08)

Form [CE-200](#), Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage

(Form CE-200 replaces the old forms WC/DB-100, WC-DB-101 and C-105.21.):

Form CE-200 can ONLY be used to attest to a government entity that the applicant requesting a permit, license or contract from that government entity is not required to carry New York State specific workers' compensation and/or disability benefits insurance.

IMPORTANT: *These certificates cannot be used to waive the workers' compensation rights or obligations of any party.* The applicant may **NOT** use this certificate to show either another business or that business's insurance carrier that such insurance is not required.

If appropriate, the applicant requesting a permit, license or contract from a government entity must complete Form CE-200, print a copy of it, sign it and give it to the **government entity** issuing the permit, license or contract.

ATTENTION GOVERNMENT AGENCIES:

1. **ONLY** applicants eligible for **exemption** must file a **new CE-200** for **each and every** new or renewed permit, license or contract issued by a government agency.
2. Each CE-200 must specifically list the issuing government agency and the specific type of permit, license or contract requested by the applicant. Government agencies must ensure that the legal entity name on Form CE-200 exactly matches the legal entity name applying for the permit, license or contract that is being issued. Form CE-200s are **ONLY** valid for the Government Agency listed on Form CE-200.
3. Applicants for building permits **MUST** supply additional information including identifying the specific job location and the estimated cost of the project.
4. Government agencies must also ensure that Form CE-200 is signed and dated by the applicant.
5. Each CE-200 will have a certificate number printed on it. Government agencies should verify if the CE-200 provided by the applicant was actually issued by the Workers' Compensation Board. To verify a certificate of exemption, access the CE-200 application on the Board's website at: www.wcb.state.ny.us. Click on the last button in the lower right hand corner (WC/DB Exemptions Form CE-200 (In bright yellow letters)). Click Verify WC/DB Exemption (Form CE-200), follow the prompts. The following is the hyperlink to the [Verify Exemption Certificates \(Form CE-200\)](#).
6. Government agencies must also verify that the business is eligible for the workers' compensation and/or disability benefits exemption reason described on the CE-200 and notify the Board's investigative staff if there are discrepancies (Board Enforcement Unit phone numbers are listed on page 11 of the instruction manual). For example, if you are licensing a 150 seat restaurant and the applicant indicates on the CE-200 exemption form that he/she is a sole proprietor with no employees, this may indicate a problem.

ATTENTION APPLICANTS:

Please remember that applicants are submitting the CE-200 under penalty of perjury, a felony carrying a penalty of four years of jail time. Applicants are attesting that the information contained in the CE-200 is accurate – the Board does not initially verify this information. However, the Board may investigate entities using this certificate to claim exemption from the coverage requirements of the Law. Any false statement, misrepresentation or concealment will subject business owners to **felony** criminal prosecution, including jail and civil liability in accordance with the Workers' Compensation Law and all other New York State laws.

To make this process as easy and as efficient as possible for business owners, the vast majority of these forms will be processed electronically on-line. Applicants with access to the internet will be able to fill out the CE-200 on the internet and **immediately** upon completion, **be able to print out a hard copy of the CE-200** that they will then submit to the government agency issuing the permit, license or contract. Computers with internet access are also available for CE-200 electronic application processing at Customer Service Centers located in Workers' Compensation Board District Offices.

Filling out the electronic Form CE-200 on the internet is very similar to filling out a hotel reservation request on the internet for frequent travelers. Applicants will be issued a pin number and a password (Mother's maiden name) so that they can easily access their information. Once an applicant enters his/her basic information on the Board's website, it can be retrieved by that applicant in the future by using that pin number and password when the applicant is applying for another permit, license or contract.

Applicants without access to a computer may obtain a paper application by writing or visiting any Workers' Compensation Board district office, or by calling 866-298-7830. **Applicants are strongly encouraged to use the Board's electronic web program since they can receive their Form CE-200 immediately, whereas the manual paper filing may take up to four weeks to process.** Once the applicant receives the CE-200, the applicant can then submit that CE-200 to the government agency from which he/she is getting the permit, license or contract. This delay results from Workers' Compensation Board staff having to manually enter information from the applicant's paper application into the web based application. Accordingly, to avoid delays, all applicants for exemptions are strongly encouraged to use the on-line Form CE-200 on the Board's website, www.wcb.state.ny.us. Click on the last button in the lower right hand corner {WC/DB Exemptions Form CE-200 (In bright yellow letters)}.

Instructions for Obtaining Form CE-200

The CE-200 is now an on-line application. Please remember that applicants are submitting the CE-200 under penalty of perjury, a felony carrying a penalty of four years of jail time. Accordingly, all statements on the CE-200 must be true.

Applicants may access the CE-200 application on the Board's website: www.wcb.state.ny.us

1. Go to the lower right hand corner of the Board's Homepage. Click on the last button in the lower right hand corner { *WC/DB Exemptions Form CE-200* (In bright yellow letters)}.
2. Click on *Request for WC/DB Exemption* (Form CE-200).
3. Click the gray button on the bottom (*Select to Access Web-based Application*).
4. Applicants should create their own PIN number (a number that they will remember in the future, such as a birthday).
5. Follow the rest of the prompts.

It should only take about five minutes to fill it out the first time. Applicants should print, sign and date Form CE-200 and send it to the government agency issuing their permit, license or contract from.

If the applicant is having difficulty in printing the CE-200, please call the Board's CE-200 Hotline at **866-546-9322**, **then press 1 and then press 3**, and leave a voice message with the certificate number, the name of the business and a contact phone number. The CE-200 will be sent to the business address on the CE-200 within one business day.

John Doe
NYS Agency

Dear Mr. Doe,

In response to your recent request for documentation of workers' compensation coverage for New York State employees, this is to advise you that Section 88-C of the Workers' Compensation Law, as amended by Chapter 103 of the laws of 1981, provides for workers' compensation coverage of State employees. It states in pertinent part:

"Notwithstanding any other provisions of law, to the contrary, the liability of the State for the payment of compensation under this chapter heretofore existing or hereinafter arising shall be secured by an insuring agreement to be entered into between the Department of Civil Service and the State Insurance Fund wherein the State, from monies appropriated therefore, shall pay in to the fund on a periodic basis the actual costs to the fund for the meeting and paying, as the same become due and payable, all obligations incurred under this chapter by the State as an employer."

The Department of Civil Service has entered into said insuring agreement with the State Insurance Fund, contract number C177594, securing the State's liability for the payment of workers' compensation in accordance with the Workers' Compensation Law. This policy is in effect until revised upon the mutual agreement of both parties.

Furthermore, in regard to your request for documentation of disability coverage for New York State employees, this is to advise you that Section 201, Subdivision 4, of the Workers' Compensation Law, provides that the State of New York is not a covered employer for purposes of the Disability Benefits Law and is not under an obligation to provide such benefits to its employees.

If you should have any additional questions concerning this matter, please call me at (518) 473-1920.

Sincerely,

Daniel Giovannangelo

Liabilities and Penalties for Not Having Required Workers' Compensation Insurance Coverage

Ascertaining Violations of the Law

The Workers' Compensation Board may require an employer to furnish proof that the employer:

- has a valid workers' compensation insurance policy;
- is self-insured for workers' compensation; or
- is legally exempt from having to obtain workers' compensation coverage.

If an employer fails to provide this information within 10 days following the Board's request, the Board assumes that the employer is violating the Workers' Compensation Law (WCL).

Personal Accountability

The sole proprietor or the partners of a business, or the president, secretary and treasurer of a corporation are personally liable for the business's failure to secure workers' compensation insurance.

Liability for Claims Incurred by an Uninsured Employer for Workers' Compensation Insurance -- Section 26-a of the Workers Compensation Law

The employer is liable for paying an assessment of \$1,000 for each 10-day period of noncompliance or a sum not in excess of two times the amount of premium that should have been paid by the employer during the period of noncompliance, plus the actual award (including both compensation and medical costs) plus any penalties the Board assesses for noncompliance.

Penalties for Noncompliance with Workers' Compensation Mandatory Coverage Requirements

- 1) Section 52-5 of the Workers' Compensation Law – The Board may impose upon an employer, in addition to all other penalties, a fine of \$2,000 for each 10-day period of noncompliance, or a sum not in excess of two times the amount of premium that should have been paid by the employer during the period of noncompliance. The fine of \$2,000 for each 10-day period of noncompliance is the most commonly imposed penalty for noncompliance.
- 2) Section 52-1 of the Workers' Compensation Law – Not securing required workers' compensation insurance is a misdemeanor for employers five or less employees, punishable by a fine of not less than \$1,000 nor more than \$5,000, in addition to all other penalties. STATE & MUNICIPAL AGENCY COMPLIANCE WITH GENERAL MUNICIPAL LAW §125

Letter Regarding General Municipal Law §125

DAVID A. PATERSON
GOVERNOR

STATE OF NEW YORK
WORKERS' COMPENSATION BOARD
20 PARK STREET
ALBANY, NY 12207

ROBERT E. BELOTEN
CHAIR

May, 2010

To all Code Enforcement Officials, Building Departments, and Municipal Entities:

Effective January 18, 1999, Section 125 of the General Municipal Law requires that any individual applying for a building permit must prove to the building department that he/she is in compliance with the mandatory coverage provisions of the Workers' Compensation Law before the building permit is issued.

General Background

Under Section 57 of the Workers' Compensation Law, businesses listed as the general contractors on building permits are required to submit proof of compliance with the mandatory coverage provisions of the Workers' Compensation Law to the building department before a building permit is issued. Section 125 of the General Municipal Law is specifically targeted at ensuring that all applicants who list themselves as the general contractors on the building permit are in compliance with the mandatory coverage provisions of the Workers' Compensation Law.

For homeowner applicants, the instruction manual includes a link to form BP-1 Affidavit of Exemption to Show Specific Proof of Workers' Compensation Coverage for a 1, 2, 3 or 4 Family, Owner-occupied Residence. The law requires homeowners to provide proof of workers' compensation compliance when applying for a building permit. If the homeowner qualifies for an exemption, the homeowner must either complete this form and file it with the local building department; or the homeowner must complete Form CE-200 and file it with the local building department.

Implementing Section 125 of the General Municipal Law

1. General contractors and Business Owners

Businesses listed as the general contractors on building permits, must prove that they are in compliance with the mandatory coverage requirements and also Section 57 of the Workers' Compensation Law (WCL) by producing ONE of the following forms indicating that they are:

- insured (Form C-105.2 or U-26.3 – the business's insurance carrier will send this form to the building department upon the business's request) All private carriers and their licensed insurance agents are authorized to issue the form C-105.2 as their Certificate of NYS Workers' Comp Insurance. The State Insurance Fund uses the U-26.3 form as its Certificate of NYS Workers' Compensation Insurance.
- self-insured (Form SI-12 -- Certificate of Workers' Compensation Self-Insurance (the business calls the Board's Self-Insurance Office at 518-402-0247), **OR** Form GSI-105.2 -- Certificate of Participation in Workers' Compensation Group Self-Insurance) (the business's Group Self-Insurance Administrator will send this form to the government entity upon request).
- exempt (Form CE-200 – {*Form CE-200 is available on the Board's website, www.wcb.state.ny.us, under the heading "Forms."* Paper applications for this form are available by writing or visiting any Customer Service Center at any District Office of the Workers' Compensation Board, or by calling 866-298-7830.})

Applicants are strongly encouraged to use the Board's electronic web program since they can receive their Form CE-200 immediately, whereas the manual paper filing may take up to four weeks to process.

Any residence that is not a 1, 2, 3, or 4 Family, Owner-occupied Residence is considered a business (income or potential income property) and must prove compliance by filing one of the above forms.

(Please note: ACORD forms are NOT acceptable proof of workers' compensation coverage!)

Owner-occupied Residences

Homeowners of a 1, 2, 3, or 4 Family, Owner-occupied Residence, must file Form BP-1 when applying for a building permit when they are:

- listed as the general contractor on the building permit, and the homeowner:
 - is performing all the work for which the building permit was issued him/herself,
 - is not hiring, paying or compensating in any way, the individual(s) that is (are) performing all the work for which the building permit was issued or helping the homeowner perform such work, or
 - has a homeowner's insurance policy that is currently in effect and covers the property for which the building permit was issued AND the homeowner is hiring or paying individuals a total of less than 40 hours per week (aggregate hours for all paid individuals on the jobsite) for the work for which the building permit was issued.

Applicants submit Form BP-1 under penalty of perjury, a felony carrying a penalty of four years of jail time.

- If the homeowner of a 1, 2, 3, 4 Family, Owner-occupied Residence is hiring or paying individuals a total of 40 hours or MORE in any week (aggregate hours for all paid individuals on the jobsite) for the work for which the building permit was issued, then the homeowner may NOT file the "Affidavit of Exemption" form, BP-1, but must either:
 - acquire appropriate workers' compensation coverage and provide, to the government entity issuing the building permit, appropriate proof of that coverage, on forms C-105.2 or U-26.3, OR
 - have the general contractor performing the work provide appropriate proof of workers' compensation coverage, or proof of exemption from that coverage, to the government entity issuing the building permit.

Form BP-1 CANNOT be used for a building permit related to the construction of a new home since no Certificate of Occupancy has been issued. Accordingly, the new home is not owner-occupied. Homeowners serving as the general contractor of their new home may submit a Form CE-200 if they are not paying anyone to help them build the new home and only have uncompensated friends and family helping them.

Background on Coordinating the Implementation of Section 125 of the General Municipal Law with Existing Statutes

To ensure that homeowners are not required to have duplicate workers' compensation coverage, the implementation form attempts to coordinate compliance with Section 125 of the Municipal Law with coverage provided under Section 3420(j) of the Insurance Law, which is the homeowner's policy's workers' compensation insurance rider.

As of March 1, 1985, New York State Insurance Law § 3420(j) provides that every policy of comprehensive personal liability insurance (i.e., homeowner's insurance) on a 1, 2, 3, or 4 Family owner-occupied dwelling (including condominiums) will also provide workers' compensation benefits. This section was added to protect the homeowner from unexpected liability when the Board determines that a person, whom the homeowner did not believe required coverage, is found to be entitled to benefits. To receive benefits under this policy, the employee must be found by the Board to have been injured in employment of the policyholder and employed for less than 40 hours a week in and about the owner's 1, 2, 3, 4 family residence in this State.

Form [BP-1](#) is available on the Board's website, www.wcb.state.ny.us, under the heading "Forms." Please make as many copies of the BP-1 as you require. The BP-1 form reflects the minimum standard to be applied statewide. If a municipality wishes to collect a copy of the certificate of insurance from a building permit applicant's homeowner's insurance policy or obtain a copy of the information page from the building permit applicant's homeowner's insurance policy, the municipality could make that a local requirement which would be in addition to the State requirement.

Prove It to Move It

If you have any questions regarding the BP-1 form, Section 125 of the General Municipal Law or Section 57 of the Workers' Compensation Law, please contact Steve Carbone of the New York State Workers' Compensation Board at (518) 486-6307.

Thank you for your office's cooperation in enforcing Section 125 of the General Municipal Law and Section 57 of the Workers' Compensation Law.

Sincerely,

Peter Michels
Director of Compliance

- ◆ are exempt (WC/DB-100),

under the mandatory coverage provisions of the WCL. Any residence that is not a 1, 2, 3 or 4 Family, Owner-occupied Residence is considered a business (income or potential income property) and must prove compliance by filing one of the above forms.

2. Owner-occupied Residences

For homeowners of a 1, 2, 3 or 4 Family, Owner-occupied Residence, proof of their exemption from the mandatory coverage provisions of the Workers' Compensation Law when applying for a building permit is to file Form BP-1.

- ◆ If the homeowner of a 1, 2, 3 or 4 Family, Owner-occupied Residence is hiring or paying individuals a total of 40 hours or MORE in any week (aggregate hours for all paid individuals on the jobsite) for the work for which the building permit was issued, then the homeowner may not file the "Affidavit of Exemption" Form BP-1, but shall either:
 - ◇ acquire appropriate workers' compensation coverage and provide appropriate proof of that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit (Form C-105.2 or Form U-26.3), OR
 - ◇ have the general contractor, performing the work on the 1, 2, 3 or 4 family, owner-occupied residence (including condominiums) listed on the building permit, provide appropriate proof of workers' compensation coverage, or proof of exemption from that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit.

GOVERNMENT AGENCY COMPLIANCE WITH DISABILITY BENEFITS

Section 220 (8): Restriction on Issue of Permits and the Entering of Contracts Unless Disability Benefits Coverage Is Secured

Section 220 (8) of the Workers' Compensation Law (WCL) regarding disability benefits requires the heads of all State and municipal entities, prior to issuing any permits, licenses or entering into contracts, to ensure that businesses applying for those permits, licenses or entering into contracts have appropriate disability benefits insurance coverage. This requirement applies to both original issuances and renewals, whether the governmental agency is having the work done or is simply issuing the permit, license or contract.

To comply with coverage provisions of the WCL regarding disability benefits, businesses may:

- A) be legally exempt from obtaining disability benefits insurance coverage;
- B) obtain such coverage from insurance carriers; or
- C) be self-insured.

Accordingly, to assist State and municipal entities in enforcing WCL Section 220 (8), businesses requesting permits or seeking to enter into contracts must provide *one* of the following forms to the entity issuing the permit or entering into a contract:

A) [CE-200](#), *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage*. Form CE-200 can be filled out electronically on the Board's website, www.wcb.state.ny.us. Click on the last button in the lower right hand corner (*WC/DB Exemptions Form CE-200*, in bright yellow letters). Applicants filing electronically are able to print a finished Form CE-200 immediately upon completion of the electronic application. Applicants without access to a computer may obtain a paper application by writing or visiting any Workers' Compensation Board district office, or by calling 866-298-7830. **Applicants are strongly encouraged to use the Board's electronic web program since they can receive their Form CE-200 immediately, whereas the manual paper filing may take up to four weeks to process.** Once the applicant receives the CE-200, the applicant can then submit that CE-200 to the government agency from which he/she is getting the permit, license or contract; **or**

B) [DB-120.1](#), *Certificate of Disability Benefits Insurance* (the business's insurance carrier will send this form to the government entity upon request); **or**

C) [DB-155](#), *Certificate of Disability Benefits Self-Insurance* (the business calls the Board's Self-Insurance Office at 518-402-0247).

D) Letter from the Dept. of Civil Service indicating the applicant is a New York state government agency that is exempt from disability benefits insurance coverage.

John Doe
NYS Agency
Albany, NY 12239

Dear Mr. Doe,

In response to your recent request for documentation of workers' compensation coverage for New York State employees, this is to advise you that Section 88-C of the Workers' Compensation Law, as amended by Chapter 103 of the laws of 1981, provides for workers' compensation coverage of State employees. It states in pertinent part:

"Notwithstanding any other provisions of law, to the contrary, the liability of the State for the payment of compensation under this chapter heretofore existing or hereinafter arising shall be secured by an insuring agreement to be entered into between the Department of Civil Service and the State Insurance Fund wherein the State, from monies appropriated therefore, shall pay in to the fund on a periodic basis the actual costs to the fund for the meeting and paying, as the same become due and payable, all obligations incurred under this chapter by the State as an employer."

The Department of Civil Service has entered into said insuring agreement with the State Insurance Fund, contract number C177594, securing the State's liability for the payment of workers' compensation in accordance with the Workers' Compensation Law. This policy is in effect until revised upon the mutual agreement of both parties.

Furthermore, in regard to your request for documentation of disability coverage for New York State employees, this is to advise you that Section 201, Subdivision 4, of the Workers' Compensation Law, provides that the State of New York is not a covered employer for purposes of the Disability Benefits Law and is not under an obligation to provide such benefits to its employees.

If you should have any additional questions concerning this matter, please call me at (518) 473-1920.

Sincerely,

Daniel Giovannangelo
