The stated purpose of the procurement flexibility is to enable SUNY-DMC to enter into contracts in an expedited manner to facilitate implementation of the sustainability plan and resultant attainment of sustainability. The instant procurement is conducted under Part Q. Accordingly, interested vendors must commit to acting expeditiously (in complying with the requirements set forth below and otherwise in the posting). By submitting a proposal in response to the Posting, each vendor agrees to comply strictly with the timetable and other requirements described herein.

Please see the 139(j) & (k) Acknowledgement Form for Designated Contact(s) and additional information on Lobbying Law compliance.

 - b. ***Exceptions to the Form Agreement.*** Given both the need to act expeditiously and the regulatory foundation for the provisions of the Form Agreement, SUNY-DMC implores vendors to accept the terms thereof without exception. However, in the event a vendor identifies clause(s) that are unacceptable, the vendor shall submit a list of exceptions (along with proposed revisions thereto) along with its proposal.
 - i. ***Mandatory Clauses.*** Notwithstanding the foregoing, there are certain clauses that are required, without exception. Those clauses include, without limitation, liability, indemnity,
 - c. ***Vendor Contracts.*** Given the need to act expeditiously, the basis of the Part Q procurement flexibility, SUNY-DMC’s policy dictates vendor contracts generally will not incorporate vendor contracts. However, in the limited instances, where a vendor insists on using its form contract, it shall submit:
 - i. A copy of its contract (with any terms that are inconsistent with the Form Agreement either stricken or revised to resolve any such inconsistency); and
 - ii. A reasonably detailed explanation of the basis for its request to incorporate its contract (e.g. the extenuating circumstances that necessitate incorporation of the vendor contract).

SUNY-DMC reserves the right to determine, in its sole discretion, whether to incorporate the vendor’s contract into the final agreement.

SUNY-DMC reserves the right to reject any renewal, extension or request for assignment to an entity that appears on the prohibited entities list, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

18. **Contractor** and any of its agents, employees or sub-contractors engaged in the performance of the services contemplated under this Agreement shall at all times be deemed to be performing as an independent contractor, and not as an agent or employee of the **State University** or **SUNY-DMC**, and the acts and omissions of such agents, employees or sub-contractors shall be deemed to be those of **Contractor**. **Contractor** shall indemnify, defend and hold harmless the **State University of New York**, the **State of New York** and **SUNY-DMC** (the “Indemnified”)

The contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that SUNY may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with SUNY in these efforts.

21. RECIPROCITY AND SANCTIONS

PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act of 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. Contact the NYS Department of Economic Development, Division for Small Business, 30 South Pearl Street, Albany, New York 12245, for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer

programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal or similar services, then in accordance with Section 163(4-g) of the State Finance Law, the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to SUNY, the Department of Civil Service and the State Comptroller.

24. PURCHASES OF APPAREL AND SPORTS EQUIPMENT. In accordance with State Finance Law Section 165(7), SUNY may determine that a bidder on a contract for the purchase of apparel or sports equipment is not a responsible bidder as defined in State Finance Law Section 163 based on (a) the labor standards applicable to the manufacture of the apparel or sports equipment, including employee compensation, working conditions, employee rights to form unions and the use of child labor; or (b) bidder's failure to provide information sufficient for SUNY to determine the labor conditions applicable to the manufacture of the apparel or sports equipment.

25. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

26. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the Contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or SUNY discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor

in accordance with the terms of the agreement, if SUNY determines that such action is in the best interests of the State.

27. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

<http://www.oqs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

THE FOLLOWING PROVISIONS SHALL APPLY ONLY TO THOSE CONTRACTS TO WHICH A HOSPITAL OR OTHER HEALTH SERVICE FACILITY IS A PARTY

28. Notwithstanding any other provision in this contract, the hospital or other health service facility remains responsible for insuring that any service provided pursuant to this contract complies with all pertinent provisions of Federal, state and local statutes, rules and regulations. In the foregoing sentence, the word "service" shall be construed to refer to the health care service rendered by the hospital or other health service facility.

N.Y. EXEC. LAW § 315 (McKinney 2010).

3. PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN. The University shall determine whether Contractor has made conscientious and active efforts to employ and utilize minority group members and women to perform this State Contract based upon an analysis of the following factors:

4. PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES. Based upon an analysis of the following factors, the University shall determine whether Contractor has made good faith efforts to provide for meaningful participation by minority-owned and women-owned business enterprises which have been certified by DMWBD. [\(Subdivision 3 of § 313\)](#). N.Y. EXEC. LAW § 313 (McKinney 2010):

(a) Whether Contractor has actively solicited bids for Subcontracts from qualified M/WBEs, including those firms listed on the Directory of Certified Minority and Women-Owned Business Enterprises, and has documented its good faith efforts towards meeting minority and women owned business enterprise utilization plans by providing, copies of solicitations, copies of any advertisements for participation by certified minority- and women-owned business enterprises timely published in appropriate general circulation, trade and minority- or women-oriented publications, together with the listing(s) and date(s) of the publications of such advertisements; dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the University, with certified minority- and women-owned business enterprises, and the reasons why any such firm was not selected to participate on the project.

(g) Whether Contractor has made progress payments promptly to its Subcontractors.

(h) Whether the terms of this section have been incorporated into each Subcontract

which is entered into by the Contractor. It shall be the responsibility of Contractor to ensure compliance by every Subcontractor with these provisions.

5. GOALS. (a) GOALS FOR MINORITY AND WOMEN WORK FORCE PARTICIPATION.

(i) The University shall include relevant work force availability data, which is provided by the DMWBD, in all documents which solicit bids for State Contracts and shall make efforts to assist Contractors in utilizing such data to determine expected levels of participation for minority group members and women on State Contracts.

(ii) Contractor shall exert good faith efforts to achieve such goals for minority and women's participation. To successfully achieve such goals, the employment of minority group members and women by Contractor must be substantially uniform during the entire term of this State Contract. In addition, Contractor should not participate in the transfer of employees from one employer or project to another for the sole purpose of achieving goals for minority and women's participation. ([Subdivision 5 of § 313](#)). N.Y. EXEC. LAW § 313 (McKinney 2010).

(b) GOALS FOR MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION.

foregoing or all State Contracts in excess of \$100,000.00 whereby the University is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon, Contractor shall exert good faith efforts to achieve a participation goal of _____ percent (____%) for Certified Minority-Owned Business Enterprises and _____ percent (____%) for Certified Women-Owned Business Enterprises. ([Subdivision 3 of § 313](#)). N.Y. EXEC. LAW § 313 (McKinney 2010).

6. ENFORCEMENT. The University will be responsible for enforcement of each Contractor's compliance with these provisions. Contractor, and each Subcontractor, shall permit the University access to its books, records and accounts for the purpose of investigating and determining whether Contractor or Subcontractor is in compliance with the requirements of [Article 15-A of the Executive Law](#). If the University determines that a Contractor or Subcontractor may not be in compliance with these provisions, the University may make every reasonable effort to resolve the issue and assist the Contractor or Subcontractor in its efforts to comply with these provisions. If the University is unable to resolve the issue of noncompliance, the University may file a complaint with the DMWBD. ([Subdivision 5\(a\) of § 313](#)). N.Y. EXEC. LAW § 313 (McKinney 2010).

7. DAMAGES FOR NON COMPLIANCE.

Where the University determines that Contractor is not in compliance with the requirements of the Contract and Contractor

refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, Contractor shall be obligated to pay to liquidated damages to the University. Such liquidated damages shall be calculated as an amount equaling the difference between: ([Section 316 \(a\) of the Executive Law](#)). N.Y. EXEC. LAW § 316 (McKinney 2010).

- (d) that all of its employees and members of its workforce, whose services may be used to fulfill obligations under this Agreement are or shall be appropriately informed of the terms of this Agreement and are under legal obligation to each Party, respectively, by contract or otherwise, sufficient to enable each Party to fully comply with all provisions of this Agreement including, without limitation, the requirement that modifications or limitations that Business Associate has agreed to adhere to with regards to the use and disclosure of PHI of any individual that materially affects and/or limits the uses and disclosures that are otherwise permitted under the Standard will be communicated to the Business Associate, in writing, and in a timely fashion.
- (e) that it will reasonably cooperate with the other Party in the performance of the mutual obligations under this Agreement.
- (f) that neither the Party, nor its shareholders, members, directors, officers, agents, employees or members of its workforce have been excluded or served a notice of exclusion or have been served with a notice of proposed exclusion, or have committed any acts which are cause for exclusion, from participation in, or had any sanctions, or civil or criminal penalties imposed under, any federal or state healthcare program, including but not limited to Medicare or Medicaid, or have been convicted, under federal or state law (including without limitation a plea of nolo contendere or participation in a first offender deferred adjudication or other arrangement whereby a judgment of conviction has been withheld), of a criminal offense related to (i) the neglect or abuse of a patient, (ii) the delivery of an item or service, including the performance of management or administrative services related to the delivery of an item or service, under a federal or state healthcare program, (iii) fraud, theft, embezzlement, breach of fiduciary responsibility, or other financial misconduct in connection with the delivery of a healthcare item or service or with respect to any act or omission in any program operated by or financed in whole or in part by any federal, state or local government agency, (iv) the unlawful, manufacture, distribution, prescription or dispensing of a controlled substance, or (v)

interference with or obstruction of any investigation into any criminal offense.

4.2 Each Party further agrees to notify the other Party immediately after the Party becomes aware that any of the foregoing representation and warranties may be inaccurate or may become incorrect at any time during the term of this Agreement.

5. TERMS AND TERMINATION

5.1 **Term.** The Term of this Agreement shall commence on the Effective Date, and shall terminate on the termination date of the relevant Underlying Agreement or on the date Covered Entity terminates this Agreement for cause as authorized in paragraph 5.2 of this Section, whichever is sooner.

5.2 **Termination for Cause.** Business Associate authorizes termination of this Agreement by Covered Entity, if Covered Entity determines Business Associate has violated a material term of the Agreement and Business Associate has not cured the breach or ended the violation within the time specified by Covered Entity.

5.3 **Obligations of Business Associate upon Termination.** Business Associate agrees to return or destroy all PHI pursuant to 45 CFR § 164.504(e)(2)(i). Prior to doing so, the Business Associate further agrees to recover any PHI in the possession of its subcontractors or agents. If it is not feasible for the Business Associate to return or destroy said PHI, the Business Associate will notify Covered Entity in writing and the Covered Entity may disagree with the Business Associate's determination. Said notification shall include: (a) a statement that the Business Associate has determined that it is not feasible to return or destroy the PHI in its possession, and (b) the specific reasons for such determination. Business Associate further agrees to extend any and all protections, limitations and restrictions contained in this Agreement to the Business Associate's use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible. If it is infeasible for the Business Associate to obtain from a subcontractor or agent any PHI in the possession of the subcontractor or agent, the Business Associate must provide a written explanation to Covered Entity and require such subcontractor or agent to agree to extend any and all protections, limitations and restrictions contained in this Agreement to the subcontractor's and/or agent's use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.

5.4 **Automatic Termination.** This Agreement will automatically terminate without any further action of the Parties upon the termination or expiration of the Underlying Agreement.

6. CONFIDENTIALITY

6.1 **Confidentiality Obligations.** In the course of performing under this Agreement, each Party may receive, be exposed to or acquire the Confidential Information including but not limited to, all information, data, reports, records, summaries, tables and studies, whether written or oral, fixed in hard copy or contained in any computer data base or computer readable form, as well as any information identified as confidential ("Confidential Information") of the other Party. For purposes of this Agreement, "Confidential Information" shall not include PHI, the security of which is the subject of this Agreement and is provided for elsewhere. The Parties including their employees, agents, representatives and subcontractors: (a) shall not disclose to any third party the Confidential Information of the other Party except as otherwise permitted by this Agreement, (b) only permit use of such Confidential Information by employees, agents, representatives and subcontractors having a need to know in connection with performance under this Agreement, and (c) advise each of their employees, agents, representatives and subcontractors of their obligations to keep such Confidential Information confidential. Notwithstanding anything to the contrary herein, each Party shall be free to use, for its own business purposes, any ideas, suggestions, concepts, know-how or techniques contained in information received from each other that directly relates to the performance under this Agreement. This provision shall not apply to Confidential Information: (d) after it becomes publicly available through no fault of either Party; (e) which is later publicly released by either Party in writing; (f) which is lawfully obtained from third parties without restriction; or (g) which can be shown to be previously known or developed by either Party independently of the other Party.

7. INSURANCE AND INDEMNIFICATION

7.1 **Insurance.** Business Associate will procure and maintain in effect during the term of this Agreement: (a) general liability insurance coverage with minimum limits of \$1 million per occurrence and \$3 million aggregate; and (b) as applicable, professional liability insurance coverage within minimum limits of \$1 million per occurrence and \$3 million in aggregate; and (c) workers' compensation insurance coverage within statutory limits of state law in which Business Associate is located. Upon request, Business Associate shall provide evidence of continuous coverage to Covered Entity.

7.2 **Indemnification.** The Business Associate agrees to indemnify, defend and hold harmless Covered Entity and Covered Entity's employees, trustees, officers, agents and other members of its workforce from any costs, damages, expenses, judgments, losses, and attorney's fees arising from any breach of this Agreement by Business Associate or any of its agents or subcontractors, or arising from any negligent or wrongful acts or omissions of Business Associate or any of its agents or subcontractors, including failure to perform its obligations under the Privacy Rule. The Business

Associate's indemnification obligation shall survive the expiration or termination of this Agreement for any reason.

8. MISCELLANEOUS

8.1 Business Associate. For purposes of this Agreement, Business Associate shall include the named Business Associate herein. However, in the event that the Business Associate is otherwise a Covered Entity under the Privacy or Security Rule, that entity may appropriately designate a health care component of the entity, pursuant to 45 CFR § 164.504(a), as the Business Associate for purposes of this Agreement.

8.2 Survival. The respective rights and obligations of Business Associate and Covered Entity under this Agreement, shall survive termination of this Agreement indefinitely.

8.3 Amendments; Waiver. This Agreement may not be modified, nor shall any provision hereof be waived or amended, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for compliance with the requirements of the HIPAA Rules and any other applicable law.

8.4 Interpretation. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.

8.5 No Third Party Beneficiaries. Nothing expressed or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

8.6 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given above, and/or (other than for the delivery of fees) via facsimile to the facsimile telephone numbers listed above. A copy of any such notice shall also be given in the same manner to the Privacy Officer listed above. Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided.

8.7 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

8.8 Disputes. If any controversy, dispute or claim arises between the Parties with respect to this Agreement, the Parties shall make good faith efforts to resolve such matters informally.

8.9 LIMITATION OF LIABILITY. COVERED ENTITY SHALL NOT BE LIABLE TO BUSINESS ASSOCIATE FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES

OF ANY KIND OR NATURE, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR OTHERWISE, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES.

8.10 Changes in Law. The Parties recognize that this Agreement is at all times subject to applicable state, local, and federal laws. The Parties further recognize that this Agreement may become subject to amendments in such laws and regulations and to new legislation. Any provisions of law that invalidate, or are otherwise inconsistent with, the material terms and conditions of this Agreement, or that would cause one or both of the Parties hereto to be in violation of law, shall be deemed to have superseded the terms of this Agreement and, in such event, the Parties agree to use their best efforts to modify in an executed written agreement the terms and conditions of this Agreement to be consistent with the requirements of such law(s) in order to effectuate the purposes and intent of this Agreement within thirty (30) days of receipt of notice from one Party to the other Party setting forth the proposed changes. If the Parties fail to so modify this Agreement, then either Party may, by giving the other an additional sixty (60) days written notice, terminate this Agreement, unless this Agreement would terminate earlier by its terms. In the event amendments or changes in existing law, general instructions, or new legislation, rules, regulations, or decisional law preclude or substantially preclude a contractual relationship between the Parties similar to that expressed in this Agreement, then, under such circumstances, where renegotiation of the applicable terms of this Agreement would be futile, either Party may provide the other at least sixty (60) days advance written notice of termination of this Agreement, unless this Agreement would terminate earlier by its terms. Upon termination of this Agreement as hereinabove provided, neither Party shall have any further obligation hereunder except for (a) obligations occurring prior to the date of termination, and (b) obligations, promises or covenants contained herein which are expressly made and intended either to arise upon the termination of this Agreement or to extend beyond the term of this Agreement.

8.11 Construction of Terms. The terms of this Agreement shall be construed in light of any applicable interpretation or guidance on HIPAA and/or the Privacy Rule issued by the Department of Health and Human Services of the Office of Civil Rights from time to time.

8.12 Contradictory Terms. Any provision of the Underlying Agreement that is directly contradictory to one or more terms of this Agreement ("Contradictory Term") shall be superseded by the terms of this Agreement as of the Effective Date of this Agreement to the extent and only to the extent of the contradiction, only for the purpose of the Covered Entity's compliance with the Privacy Rule and only to the extent that it is reasonably impossible to comply with both the Contradictory Term and the terms of this Agreement.

8.13 **Governing Law.** This Agreement and any Underlying Agreement shall be governed by New York law notwithstanding any conflicts of law provisions to the contrary.

http://www.omig.state.ny.us/data/imagestories/relevant_fca_statutes_122209.pdf

I. FEDERAL LAWS

1) Federal False Claims Act (31 USC §§3729-3733)

The False Claims Act ("FCA") provides, in pertinent part, as follows:

§ 3729. False claims

(a) Liability for certain acts. --

(1) In general.—Subject to paragraph (2), any person who—

- (A) knowingly presents, or causes to be presented, a false or fraudulent claim for payment or approval;
- (B) knowingly makes, uses, or causes to be made or used, a false record or statement material to a false or fraudulent claim;
- (C) conspires to commit a violation of subparagraph (A), (B), (D), (E), (F), or (G);
- (D) has possession, custody, or control of property or money used, or to be used, by the Government and knowingly delivers, or causes to be delivered, less than all of that money or property;
- (E) is authorized to make or deliver a document certifying receipt of property used, or to be used, by the Government and, intending to defraud the Government, makes or delivers the receipt without completely knowing that the information on the receipt is true;
- (F) knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the

Government, or a member of the Armed Forces, who lawfully may not sell or pledge property; or

- (G) knowingly makes, uses, or causes to be made or used, a false record or statement material to an obligation to pay or transmit money or property to the Government, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit money or property to the Government, is liable to the United States Government for a civil penalty of not less than \$5,000 and not more than \$10,000, as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. 2461) note; Public Law 104-410, plus 3 times the amount of damages which the Government sustains because of the act of that person.

(2) Reduced damages.—If the court finds that—

- (A) the person committing the violation of this subsection furnished officials of the United States responsible for investigating false claims violations with all information known to such person about the violation within 30 days after the date on which the defendant first obtained the information;
 - (B) such person fully cooperated with any Government investigation of such violations; and
 - (C) at the time such person furnished the United States with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this title with respect to such violation, and the person did not have actual knowledge of the existence of an investigation into such violation, the court may assess not less than 2 times the amount of damages which the Government sustains because of the act of that person.
- (3) Costs of civil actions.—A person violating this subsection shall also be liable to the United States Government for the costs of a civil action brought to recover any such penalty or damages.

EXHIBIT

(b) Definitions.—For purposes of this section—

(1) the terms “knowing” and “knowingly” —

(A) mean that a person, with respect to the information—

(i) has actual knowledge of the information;

(ii) acts in deliberate ignorance of the truth or falsity of the information; or

(iii) acts in reckless disregard of the truth or falsity of the information; and

(B) require no proof of specific intent to defraud;

(2) the term “claim” —

(A) means any request or demand, whether under a contract or otherwise, for money or property and whether or not the United States has title to the money or property, that—

(i) is presented to an officer, employee, or agent of the United States; or

(ii) is made to a contractor, grantee, or other recipient, if the money or property is to be spent or used on the Government's behalf or to advance a Government program or interest, and if the United States Government-

(I) provides or has provided any portion of the money or property requested or demanded; or

(II) will reimburse such contractor, grantee, or other recipient for any portion of the money or property which is requested or demanded; and

(B) does not include requests or demands for money or property that the Government has paid to an individual as compensation for Federal employment or as an income subsidy with no restrictions on that individual's use of the money or property;

(3) the term “obligation” means an established duty, whether or not fixed, arising from an express or implied contractual,

grantor-grantee, or licensor-licensee relationship, from a fee-based or similar relationship, from statute or regulation, or from the retention of any overpayment; and

(4) the term “material” means having a natural tendency to influence, or be capable of influencing, the payment or receipt of money or property.

(c) Exemption from disclosure.—Any information furnished pursuant to subsection (a)(2) shall be exempt from disclosure under section 552 of title 5.

(d) Exclusion.—This section does not apply to claims, records, or statements made under the Internal Revenue Code of 1986.

While the False Claims Act imposes liability only when the claimant acts “knowingly,” it does not require that the person submitting the claim have actual knowledge that the claim is false. A person who acts in reckless disregard or in deliberate ignorance of the truth or falsity of the information, also can be found liable under the Act. 31 U.S.C. 3729(b).

In sum, the False Claims Act imposes liability on any person who submits a claim to the federal government, or submits a claim to entities administering government funds, that he or she knows (or should know) is false. An example may be a physician who submits a bill to Medicare for medical services she knows she has not provided. The False Claims Act also imposes liability on an individual who may knowingly submit a false record in order to obtain payment from the government. An example of this may include a government contractor who submits records that he knows (or should know) are false and that indicate compliance with certain contractual or regulatory requirements. The third area of liability includes those instances in which someone may obtain money from the federal government to which he may not be entitled, and then uses false statements or records in order to retain the money. An example of this so-called “reverse false claim” may include a hospital which obtains interim payments from Medicare or Medicaid throughout the year, and then knowingly files a false cost report at the end of the year in

order to avoid making a refund to the Medicare or Medicaid program.

In addition to its substantive provisions, the FCA provides that private parties may bring an action on behalf of the United States. 31 U.S.C. 3730 (b). These private parties, known as “*qui tam* relators,” may share in a percentage of the proceeds from an FCA action or settlement.

Section 3730(d)(1) of the FCA provides, with some exceptions, that a *qui tam* relator, when the Government has intervened in the lawsuit, shall receive at least 15 percent but not more than 25 percent of the proceeds of the FCA action depending upon the extent to which the relator substantially contributed to the prosecution of the action. When the Government does not intervene, section 3730(d)(2) provides that the relator shall receive an amount that the court decides is reasonable and shall not be less than 25 percent and not more than 30 percent.

3. Administrative Remedies for False Claims (31 USC Chapter 38, §§ 3801 – 3812)

This statute allows for administrative recoveries by federal agencies. If a person submits a claim that the person knows is false or contains false information, or omits material information, the agency receiving the claim may impose a penalty of up to \$5,000 for each claim. The agency may also recover twice the amount of the claim.

Unlike the False Claims Act, a violation of this law occurs when a false claim is submitted rather than when it is paid. Also unlike the False Claims Act, the determination of whether a claim is false and the imposition of fines and penalties is made by the administrative agency, not by prosecution in the federal court system.

II. NEW YORK STATE LAWS

New York State False Claim Laws fall under the jurisdiction of both New York's civil and administrative laws, as well as its criminal laws. Some apply to recipient false claims and some apply to provider false claims. The majority of these statutes are specific to healthcare or Medicaid. Yet, some of the “common law” crimes apply to areas of interaction with the government and so, are

EXHIBIT

applicable to health care fraud and will be listed in this section.

A. CIVIL AND ADMINISTRATIVE LAWS

1) New York False Claims Act (State Finance Law §§187-194)

The New York False Claims Act is similar to the Federal False Claims Act. It imposes penalties and fines upon individuals and entities who knowingly file false or fraudulent claims for payment from any state or local government, including health care programs such as Medicaid. It also has a provision regarding reverse false claims similar to the federal FCA such that a person or entity will be liable in those instances in which the person obtains money from a state or local government to which he may not be entitled and then uses false statements or records in order to retain the money.

The penalty for filing a false claim is six to twelve thousand dollars per claim plus three times the amount of the damages which the state or local government sustains because of the act of that person. In addition, a person who violates this act is liable for costs, including attorneys' fees, of a civil action brought to recover any such penalty.

The Act allows private individuals to file lawsuits in state court, just as if they were state or local government parties, subject to various possible limitations imposed by the NYS Attorney General or a local government. If the suit eventually concludes with payments back to the government, the person who started the case can recover twenty-five to thirty percent of the proceeds if the government did not participate in the suit, or fifteen to twenty-five percent if the government did participate in the suit.

2) Social Services Law, Section 145-b – False Statements

It is a violation to knowingly obtain or attempt to obtain payment for items or services furnished under any Social Service program, including Medicaid, by use of a false statement, deliberate concealment or other fraudulent scheme or device. The state or local Social Services district may recover three times the amount incorrectly paid. In addition, the Department of Health may impose a civil penalty of up to ten thousand dollars per violation. If repeat violations occur within five

years, a penalty of up to thirty thousand dollars per violation may be imposed if the repeat violations involve more serious violations of Medicaid rules, billing for services not rendered, or providing excessive services.

3) Social Services Law, Section 145-c – Sanctions

If any person applies for or receives public assistance, including Medicaid, by intentionally making a false or misleading statement, or intending to do so, the needs of the individual or that of his family shall not be taken into account for the purpose of determining his or her needs or that of his family for six months if a first offense, for twelve months if a second offense (or if benefits wrongfully received are at least one thousand dollars but not more than three thousand nine hundred dollars), for eighteen months if a third offense (or if benefits wrongfully received are in excess of three thousand nine hundred dollars), and five years for any subsequent occasion of any such offense.

.....

B. CRIMINAL LAWS

1) Social Services Law, Section 145 - Penalties

Any person who submits false statements or deliberately conceals material information in order to receive public assistance, including Medicaid, is guilty of a misdemeanor.

2) Social Services Law, Section 366-b – Penalties for Fraudulent Practices

3) Penal Law Article 155 - Larceny

The crime of larceny applies to a person who, with intent to deprive another of his property, obtains, takes or withholds the property by means of trick, embezzlement, false pretense, false promise, including a scheme to defraud, or other similar behavior. This statute has been applied to Medicaid fraud cases.

- a. Fourth degree grand larceny involves property valued over \$1,000. It is a class E felony.
- b. Third degree grand larceny involves property valued over \$3,000. It is a class D felony.
- c. Second degree grand larceny involves property valued over \$50,000. It is a class C felony.
- d. First degree grand larceny involves property valued over \$1 million. It is a class B felony.

4) Penal Law Article 175 – False Written Statements

Four crimes in this Article relate to filing false information or claims and have been applied in Medicaid fraud prosecutions:

EXHIBIT

Medicaid or other health insurance, and contains six crimes

- a. Insurance Fraud in the 5th degree involves intentionally filing a health insurance claim knowing that it is false. It is a class A misdemeanor.
- b. Insurance fraud in the 4th degree is filing a false insurance claim for over \$1,000. It is a class E felony.

- e. Insurance fraud in the 1st degree is filing a false insurance claim for over \$1 million. It is a class B felony.
- f. Aggravated insurance fraud is committing insurance fraud more than once. It is a class D felony.

6) Penal Law Article 177 – Health Care Fraud

This statute, enacted in 2006, applies to health care fraud crimes. It was designed to address the specific conduct by health care providers who defraud the system including any publicly or privately funded health insurance or managed care plan or contract, under which any health care item or service is provided. Medicaid is considered to be a single health plan under this statute.

This law primarily applies to claims by providers for insurance payment, including Medicaid payment, and it includes six crimes.

- a. Health care fraud in the 5th degree – A person is guilty of this crime when, with intent to defraud a health plan, he or she knowingly and willfully provides materially false information or omits material information for the purpose of requesting payment from a health plan. This is a class A misdemeanor.
- b. Health care fraud in the 4th degree – A person is guilty of this crime upon filing such false claims on more than one occasion and annually receives more than three thousand dollars. This is a class E felony.
- c. Health care fraud in the 3rd degree – A person is guilty of this crime upon filing such false claims on more than one occasion and annually receiving over ten thousand dollars. This is a class D felony.

- d. Health care fraud in the 2nd degree – A person is guilty of this crime upon filing such false claims on more than one occasion and annually receiving over fifty thousand dollars. This is a class C felony.
- e. Health care fraud in the 1st degree – A person is guilty of this crime upon filing such false claims on more than one occasion and annually receiving over one million dollars. This is a class B felony.

III. WHISTLEBLOWER PROTECTION

1) Federal False Claims Act (31 U.S.C. §3730(h))

The Federal False Claims Act provides protection to *qui tam* relators (individuals who commence a False Claims action) who are discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of their employment as a result of their furtherance of an action under the FCA. 31 U.S.C. 3730(h). Remedies include reinstatement with comparable seniority as the *qui tam* relator would have had but for the discrimination, two times the amount of any back pay, interest on any back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees.

2) New York State False Claims Act (State Finance Law §191)

The New York State False Claims Act also provides protection to *qui tam* relators (individuals who commence in a False Claims action) who are discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of their employment as a result of their furtherance of an action under the Act. Remedies include reinstatement with comparable seniority as the *qui tam* relator would have had but for the discrimination, two times the amount of any back pay, interest on any back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees.

3) New York State Labor Law, Section 740

An employer may not take any retaliatory action against an employee if the employee discloses information about the employer's policies, practices or activities to a regulatory, law enforcement or other similar agency or public official. Protected disclosures are those that assert that the employer is in violation of the law that creates a substantial and specific danger to the public health and safety or which constitutes health care fraud under Penal Law §177 (knowingly filing, with intent to defraud, a claim for payment that intentionally has false information or omissions). The employee's disclosure is protected only if the employee first brought up the matter with a supervisor and gave the employer a reasonable opportunity to correct the alleged violation. If an employer takes a retaliatory action against the employee, the employee may sue in state court for reinstatement to the same, or an equivalent position, any lost back wages and benefits and attorneys' fees. If the employer is a health provider and the court finds that the employer's retaliatory action was in bad faith, it may impose a civil penalty of \$10,000 on the employer.

4) New York State Labor Law, Section 741

A health care employer may not take any retaliatory action against an employee if the employee discloses certain information about the employer's policies, practices or activities to a regulatory, law enforcement or other similar agency or public official. Protected disclosures are those that assert that, in good faith, the employee believes constitute improper quality of patient care. The employee's disclosure is protected only if the employee first brought up the matter with a supervisor and gave the employer a reasonable opportunity to correct the alleged violation, unless the danger is imminent to the public or patient and the employee believes in good faith that reporting to a supervisor would not result in corrective action. If an employer takes a retaliatory action against the employee, the employee may sue in state court for reinstatement to the same, or an equivalent position, any lost back wages and benefits and attorneys' fees. If the employer is a health care provider and the court finds that the employer's retaliatory action was in bad faith, it may impose a civil penalty of \$10,000 on the employer.

FORM A

Summary: Policy and Procedure of the State University of New York Relating to State Finance Law §§139-j and 139-k

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a “Contact”) which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the “restricted period” (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency’s procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University’s Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

Model Form for Governmental Entity Report of Contact under State Finance Law §139-k(4)

Background:

New York State Finance Law §139-k(4) obligates every Governmental Entity during the Restricted Period of a Procurement Contract to make a written record of any Contacts made. The term “Contact” is defined by statute and refers to those oral, written or electronic communications that a reasonable person would infer are attempts to influence the Governmental Procurement. In addition to obtaining the required identifying information, the Governmental Entity must inquire and record whether the person or organization that made the Contact was the Offerer or was retained, employed or designated on behalf of the Offerer to appear before or Contact the Governmental Entity.

It should be noted that State Finance Law §139-k(6) provides:

[a]ny communications received by a governmental entity from members of the state legislature, or legislative staffs, when acting in their official capacity, shall not be considered to be a “contact” within the meaning of this section and shall not be recorded by a governmental entity pursuant to this section.

Instructions:

This model form is for use by the Governmental Entity and may be used for each Procurement Contract governed by State Finance Law §139-k. All recorded Contacts shall be included in the procurement record for the Procurement Contract. This model form was designed to collect information about initial and subsequent Contacts on the specified procurement contract during the Restricted Period. However, a separate form must be completed for **each** person or organization that Contacts the Governmental Entity about each Procurement Contract. Additional information and guidance on the “restricted period” and permissible Contacts can be found in the guidelines issued by the Advisory Council on Procurement Lobbying, which can be found on the OGS website at <http://www.ogs.state.ny.us/aboutOgs/regulations/defaultAdvisoryCouncil.html>.

It is recommended that Governmental Entities advise Offerers and those designated, employed or retained by Offerers of the intention to record the Contact. It is also recommended that information be provided regarding to Offerers and others about the statutory Restricted Period, Designated Contacts and the Permitted Contacts.

While the model form includes a section where the nature of the Contact may be recorded, such information is not statutorily required to be reported. Where such information is recorded, the Governmental Entity may in its discretion conform its collection with its other procurement practices.

Instructions

General information

Tax Law section 5-a was amended, effective April 26, 2006. On or after that date, in all cases where a contract is subject to Tax Law section 5-a, a contractor must file (1) Form ST-220-CA, *Contractor Certification to Covered Agency*, with a covered agency, and (2) Form ST-220-TD with the Tax Department before a contract may take effect. The circumstances when a contract is subject to section 5-a are listed in Publication 223, Q&A 3. See *Need help?* for more information on how to obtain this publication. In addition, a contractor must file a new Form ST-220-CA with a covered agency before an existing contract with such agency may be renewed.

Note: Form ST-220-CA must be signed by a person authorized to make the certification on behalf of the contractor, and the acknowledgement on page 2 of this form must be completed before a notary public.

When to complete this form

As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

- The procuring entity is a *covered agency* within the meaning of the statute (see Publication 223, Q&A 5);
- The contractor is a *contractor* within the meaning of the statute (see Publication 223, Q&A 6); and
- The contract is a *contract* within the meaning of the statute. This is the case when it (a) has a value in excess of \$100,000 and (b) is a contract for *commodities* or *services*, as such terms are defined for purposes of the statute (see Publication 223, Q&A 8 and 9).

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned *on or after April 26, 2006* (the effective date of the section 5-a amendments).

BULLETIN:	G-226
SUBJECT:	Consultant Disclosure Legislation
DATE:	December 5, 2006 (updated)

Purpose: The purpose of this bulletin is to explain new reporting requirements related to Chapter 10 of the Laws of 2006 and to provide forms to be used to submit the necessary information in a uniform format.

Chapter 10 of the Laws of 2006 amends State Finance Law §§ 8 and 163¹ by requiring:

1. That the Office of the State Comptroller (OSC) include in the Consulting Services Report it compiles annually on contracts issued by State agencies for consulting services during the previous fiscal year, certain additional information on employees providing services under such contracts;
2. That contractors annually report certain employment information to the contracting agency, the Department of Civil Service (DCS) and OSC; and
3. That OSC include such employment² information in the Procurement Stewardship Act Report it compiles annually.

The new legislation takes effect on June 19, 2006.

State Contractors

Employment

Information: As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

**Contracts for
Consulting**

Services:

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer

programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

Initial Report Requirements:

State Finance Law § 8 (subd 17) requires that OSC report to the Legislature on contracts for consulting services that were **issued** by State agencies during the previous fiscal year. The new legislation requires that OSC include in the Consulting Services Report the employment information described above.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor's Planned Employment From Contract Start Date Through the End of the Contract Term (Form A attached to this bulletin). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information prospectively from the start date of the contract through the end of the contract term.

State agencies may incorporate the Form A into new solicitations for consulting services in order to provide notice to potential contractors that the contractor selected may be required to complete the form.

It is important to note that regardless of a contract's payment methodology (for example, deliverable based payment or lump sum payments), an agency must structure the procurement/contract to be able to ascertain and report the required data.

State agencies should begin to submit Form A as part of the Procurement Record for new consulting services contracts as soon as possible. In order to allow sufficient time for State agencies to implement the new requirements, submission of a completed Form A will be **required** for OSC approval of new contracts for consulting services received by OSC

for approval on or after July 17, 2006, except in extraordinary circumstances as determined in the sole discretion of OSC.

**Annual Report
Requirements:**

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to report annually on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. OSC must include the employment information in the Procurement Stewardship Act Report. State Finance Law § 163 (subd 14) requires that OSC annually report to the State Procurement Council, the Governor and the Legislature on active procurement contracts above \$15,000.³

State Consultant Services Contractor's Annual Employment Report (Form B attached to this bulletin) is to be used to report the information. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).

To enable compliance with the law, State agencies need to incorporate the annual reporting requirement and the Form B template into new solicitations for consulting services to provide notice to potential contractors that the contractor selected will be required to submit the form annually.

Incorporation of the reporting requirement for Form B to be submitted annually will be a requirement for OSC approval of new contracts for consulting services including those contracts resulting from mini-bids received by OSC for approval on or after July 17, 2006, except in extraordinary circumstances as determined in the sole discretion of OSC.

BULLETIN:	G-226
SUBJECT:	Consultant Disclosure Legislation
DATE:	December 5, 2006 (updated)

As above, this date was established to allow time for State agencies to implement the new requirements; however, State agencies are encouraged to incorporate the new Form B reporting requirement as soon as possible.

For **existing** contracts for consulting services (i.e., in place before June 19, 2006), the contracting agency must also require contractors to submit Form B annually, commencing with the close of fiscal year 2006-2007.

The first State Consultant Services Contractor's Annual Employment Report will be due May 15, 2007, and will include information for the period ending March 31, 2007. Thereafter, the State Consultant Services Contractor's Annual Employment Reports will be due no later than May 15th of each succeeding year.

Summary:

RFP's and other solicitations for consulting services should include notice of the new reporting requirements. The Procurement Record for new contracts for consulting services received by OSC for approval on or after July 17, 2006 must include, upon submission of the contract for approval, a completed Form A. New contracts for consulting services, including those contracts resulting from mini-bids must include a requirement that Form B be submitted annually by the contractor to the contracting agency, the Department of Civil Service and OSC. In addition, with respect to contracts for consulting services in place prior to June 19, 2006, the contracting agency must require its contractors to submit a completed Form B annually, commencing with the close of fiscal year 2006-2007.

**Completing the
Forms:**

Form A and Form B should be completed for contracts for consulting services in accordance with the following:

- **Scope of Contract (Form B only):** a general classification of the single category that best fits the predominate nature of the services provided under the contract.

(Note: Access the O*NET database, which is available through the US Department of Labor's Employment and Training Administration, on-line at online.onetcenter.org to find a list of occupations.)

- **Number of Employees:** the total number of employees in the employment category employed to provide services under the contract during the Report Period, including part time employees and employees of subcontractors.

- **Number of hours (to be) worked:** for Form A, the total number of hours to be worked, and for Form B, the total number of hours worked during the Report Period by the employees in the employment category.

² Chapter 10 of the Laws of 2006 also amends State Finance Law § 22 and Civil Service Law § 97.

²
In addition, the new legislation requires the Department of Civil Service to publish an annual report summarizing the number of contract employees performing consulting services and the types of services provided by such contract employees. The new legislation also mandates that the Governor include in the Executive Budget certain information based on the State Contractor's Annual Employment Reports.

³
Because the Comptroller's contract approval threshold has been raised to \$50,000 while the PSA Report threshold remains at \$15,000, the PSA Report will contain information on contracts not requiring OSC approval. Consequently, State Agencies must use the "T" contract mechanism for all consulting services contracts between \$15,000 and \$50,000.

Authority: Article 15-A of the Executive Law and 5 NYCRR parts 140-144 Standard Clauses for All State University of New York (SUNY) Contracts

PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS: REQUIREMENTS AND PROCEDURES

I. General Provisions

- A. The State University of New York is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the State University of New York (“SUNY”), to fully comply and cooperate with SUNY in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section VII of this Appendix or enforcement proceedings as allowed by the Contract.

II. Contract Goals

- A. For purposes of this procurement, SUNY hereby establishes a University-wide goal of **21%** for Minority and Women-Owned Business Enterprises (“MWBE”) participation, **14%** for Minority-Owned Business Enterprises (“MBE”) participation and **7%** for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs).
- B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in Section II-A hereof, Contractor should reference the directory of New York State Certified MBWEs found at the following internet address: <http://www.esd.ny.gov/MWBE/directorySearch.html>.

Additionally, Contractor is encouraged to contact the Division of Minority and Woman Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.

- C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to SUNY for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

- A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the “Division”). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.
- B. Contractor shall comply with the following provisions of Article 15-A:
1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, grading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
