

Nursing Student Council (NSC) Meeting Minutes
November 20, 2018
3:34PM

Present were:

President: Charles Park

Vice President: Brandon Smith

Treasurer: Catharine Chen

Secretary: Veronica Wang

Undergraduate Representative: Taisha Henriquez

Graduate Representative: Anselm Lalla

With quorum present, Charles Park called the meeting to order at First Floor Library Couches:

1. The previous meetings minutes were read aloud and approved unanimously

Reports:

2. Budget: Charles - Budget was confirmed with the major change being the decrease of BFC funding to \$1200 from \$2500 due to budgetary constraints. Brandon, Catharine, and Veronica met with representatives from BFC (Joyi Yeung and Bryan Keane) to discuss the reasoning for the change. It was agreed that any surplus from the annual budget will be reallocated to fund BFC.

3. Fall Social Activities: Brandon - Date set for December 5th, 2018 from 2:30-5:00PM in HSEB lecture hall 1B.

4. Care for Homeless: Charles - Dr. Sim reached out to us asking if we'd be interested in inviting with a representative from Care for the Homeless to speak about full time and per diem positions for nursing grads. As a result, this opportunity seems better suited for RN-BS students given that they are already RN's. Korto Togba, the RN-BS undergraduate representative, will follow up.

5. National Student Nurses Association: Several students in the accelerated nursing cohort recently attended an NSANYS nursing conference and are currently in the chartering process for creating a Downstate nursing association. Veronica Wang is the liaison that will be keeping the NSC informed on the status of the club.

6. Adjournment.
