With quorum present, Charles Park called the meeting to order at First Floor Library Couches:

1. The previous meetings minutes were read aloud and approved unanimously

Reports:

2. Fall Social Activities: We spent \$114.12 for the event on coffee, cups, utensils, donuts, and water. We had roughly 60 students, including faculty attending the event.

3. Care for Homeless: Korto - Two representatives from Care For The Homeless (the director of human resources and a registered nurse working with the organization) came to the campus today December 12, 2018. Due to a scheduling conflict with final exams students were unable to meet with the representatives. I briefly spoke with them about volunteer options to work with the homeless population of New York City as well as employment options. These options will be discussed in further details during the Spring semester. They are in agreement with this. The meeting is set to take place the first week in February. The date will be confirmed as soon as possible.

4. National Student Nurses Association: The NSNA group is currently constructing the Constitution and following the necessary guidelines to become a chartered club on campus. Updates have been given to the whole cohort and the process will continue throughout the winter break.

5. Adjournment.
