Meeting Called to Order at 5:04 PM by Pres. Sophie Goodion

1. Updates on NSC Matters (Presiding Officer)

a. Updates from Meeting with Dr. Roberts

- Students are to be reminded that clinical section switches should only occur in cases of genuine need, such as extensive commuting burdens or other significant circumstances.
- Emphasis was placed on punctuality for all clinical-related experiences, particularly VR simulation sessions. It was noted that simulation groups cannot begin until all students are present, which creates challenges when NSC is simultaneously trying to advocate for student concerns.
- Some clinical placements for upcoming courses will be split into half-semester rotations.
- Dr. Roberts plans to attend class in the near future to provide announcements and clarify clinical-related updates.

Action Item: Cohort-wide email to be sent by end of week regarding importance of arriving on time to simulation lab and sharing upcoming announcements.

b. College of Nursing Sweatshirts

- Sweatshirt rollout timeline was discussed. Current goal is to launch ordering by the end of the summer semester or early fall.
- Order form logistics and payment processes still need to be finalized. Location to be ordered from: Uniform Palace on Nostrand Ave

Action Item: Sophie and Destiny to meet with Adam regarding creation of online order link/forms.

2. Updates on ABSN Programs (ABSN Class Representative)

- Efforts are ongoing to communicate with the Registrar's Office in hopes of simplifying and improving the registration process for ABSN students moving forward.
- Goal is to reduce confusion and improve access to registration information in future semesters.

3. Financial Briefing and Updates (Treasurer)

- Alessia will be receiving follow-up communication from Adam regarding Dunkin Donuts reimbursement matters.
- Discussed funding request for BFC (\$500)
 - **Action Item:** Reynaldo to meet with Adam to discuss request

4. Events (Presiding Officer)

a. End of Semester Event

- Planning updates were discussed for the upcoming end-of-semester event.
 - Dietary accommodations to be considered in final food selections, including gluten-free and kosher options.

5. Sharing Concerns and Ideas Regarding Academics / Student Body Issues

- **“Surviving Summer Semester” Shared Document**

 - It was agreed that the document will be distributed after finals in order to avoid adding unnecessary stress during the examination period.
