1-Overview of Programs since last meeting

- Disabilities Week – went very well. We had three very successful programs. Hope to have four next year but it was very well received. Thanks to Amy for coordinating.

-Multicultural program – Went very well. It was packed! Suggested having a program so folks knew when things were going to happen and the time. That way we would not have been so depended on announcements. The sound system is not great in the gym. Otherwise, wonderful program!

- Spring Fling – Brooklyn Museum! All who attended had a great time, Food was very good, Music was good, time of year was best for all. No issues to worry about this year!

-Tournament Update- Dodgeball on April 11th went very well!
-Downstate Olympics- Sunday April 14th –Adam reported all went very well and the offcampus students won! Weather held out and the students had a great time!.
-Coffee House, April 9th Greg Parr did a great job!
-- Blood Drive was today, hopefully many donated, folks commented that it was very crowded.

2-Calendar – Great job Zach! Kristin has May. The calendars are very creative this year!

3-Mini Course Program- we are having additional classes added for micro mini sessions due to demand from participants. Schuyler is coordinating and all is going well. Things are going well!

4- Holocaust Remembrance Day May 1st at 12:30 in the Student Center Main Lounge. Isaac's "Bubbe" will be coming to share her story. Please make every attempt to attend. It will be harder and harder to hear survivors due to them getting older. Isaac will introduce her. We will have a small luncheon for the speaker and her guests prior to the talk. Meg will order a bouquet of flowers.

5-Earth Day- We will celebrate April 18th from 11:30-1:00PM in the atrium. SCGB will give out apples and you can fill out a raffle for a new bicycle. We will also purchase some extra plants as giveaways. Please stop by and fill out a raffle for the bicycles....! We will also have Make a Plush at night for the craft event as part of Earth Day.

6-Volunteers to help at graduation - we need student ushers! Tuesday, May 21st 2:30 & 6:30 arrival times at Carnegie Hall. Great opportunity to scope things out for your graduation.
