II. Advisor Updates

- A. OGS has everything set for external boiler, we will know by tomorrow evening or Thursday morning if this will be enough to keep the building warm during this cold weather. We hope to have Student Center can open by Friday or next week Monday.
- B. Work Study Funds have drastically decreased compared to previous years. Financial aid office in the process of requesting help from SUNY for extra budget and Dr. Putman has already tried to get additional funding through the NYS State budget for students but nothing has been approved at this time. At this point we cannot afford to keep the student center open through this month as our key student staff work study funding is nearly depleted. We are proposing use roll over funding from COVID to help fund student center staffing.
