

# Android Intunes and Sunrise Mobility app setup for Downstate devices

**Mobility app:** Your **HealthBridge** username and password is needed to log into the mobility app.

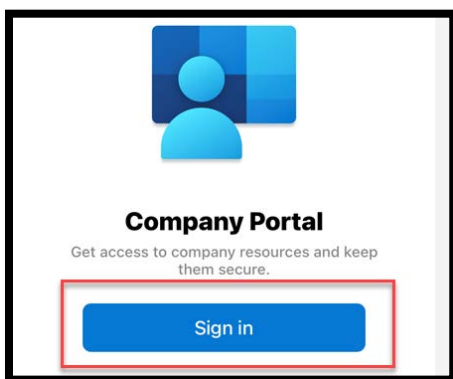

**Healthbridge account:** A downstate ID card, **NetID** Credential and HealthBridge training is needed to get access to HealthBridge. A supervisor will need to email a HealthBridge request to [Help@downstate.edu](mailto:Help@downstate.edu)

**NetID:** A supervisor will need to email a NetID request to [Help@downstate.edu](mailto:Help@downstate.edu)

1. Download the **Intune Company Portal** app from the **Google Play Store**

2. Open the **Intune Company Portal** app
3. Tap **Sign in**

4. Enter your downstate **Email** then tap **Next**

The screenshot shows the Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Microsoft" is displayed. The main heading is "Sign in". There is a text input field containing "@downstate.edu", which is highlighted with a red box. Below the input field are two links: "Can't access your account?" and "Sign in from another device". At the bottom right, there is a blue button labeled "Next", also highlighted with a red box.

5. Enter your **Password** then tap **Sign in**

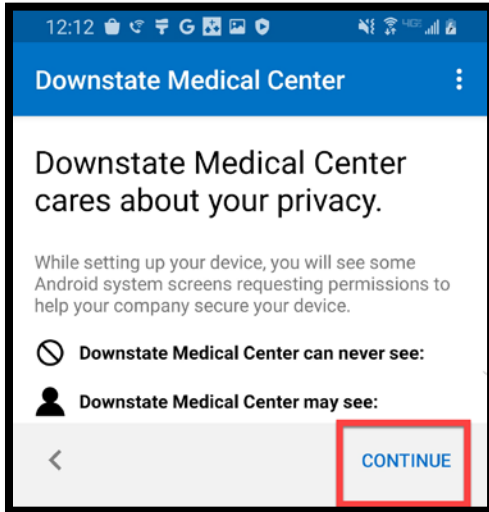

The screenshot shows the SUNY Downstate Health Sciences University login screen. At the top left is the university logo. To its right, the text "SUNY DOWNSTATE Health Sciences University" is displayed. Below the logo and text, there is a welcome message: "Welcome to SUNY Downstate Health Sciences University. Please use your eMail address and NetID password to log on". There are two input fields: the first contains "@downstate.edu" and the second contains "\*\*\*\*\*", both highlighted with red boxes. At the bottom left, there is a blue button labeled "Sign in", also highlighted with a red box.

6. Tap **Begin**

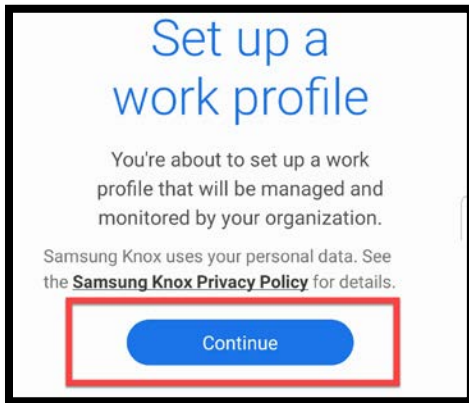

The screenshot shows the "Downstate Medical Center Access Setup" screen. At the top, there is a blue header with the text "Downstate Medical Center" and a menu icon. Below the header, the main heading is "Downstate Medical Center Access Setup". There is a paragraph of text: "Let's set up your device to access your email, Wi-Fi, and apps for work. You'll also be able to manage your devices." Below this text is a list of three steps: "1 Create work profile", "2 Activate work profile", and "3 Update device settings". At the bottom, there are two buttons: "POSTPONE" on the left and "BEGIN" on the right, which is highlighted with a red box.

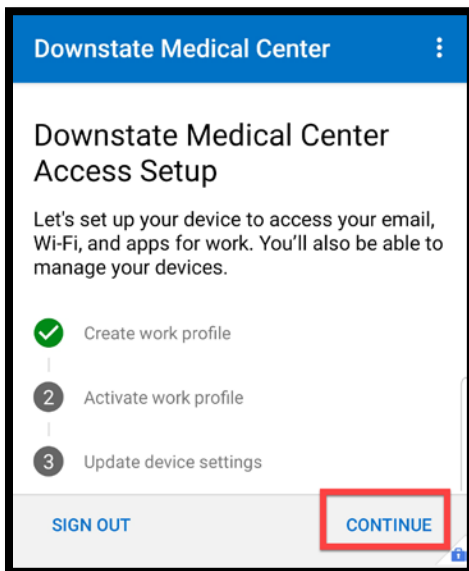

7. Tap **Continue**

8. Tap **Continue**

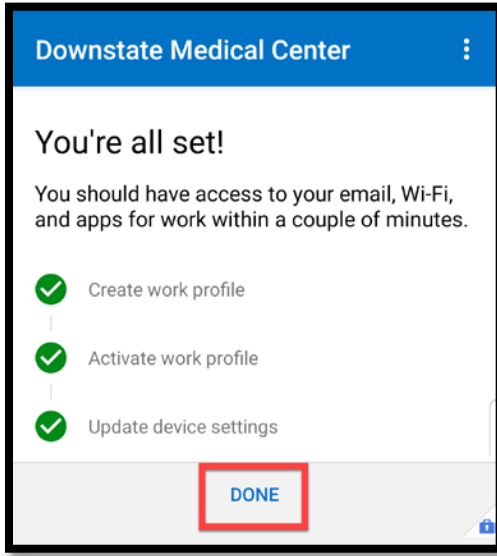

9. Tap **Continue**

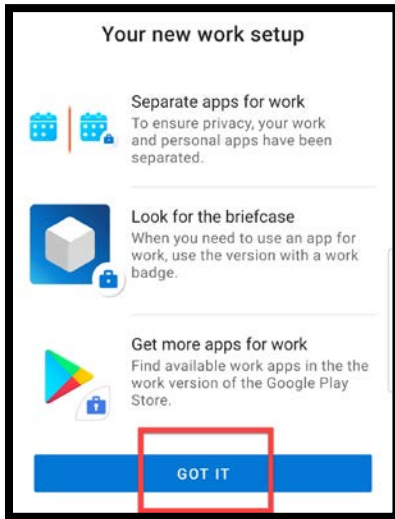

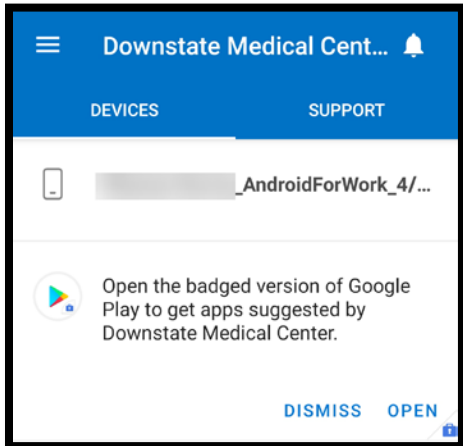

10. Tap **Done**

11. Tap **Got It**

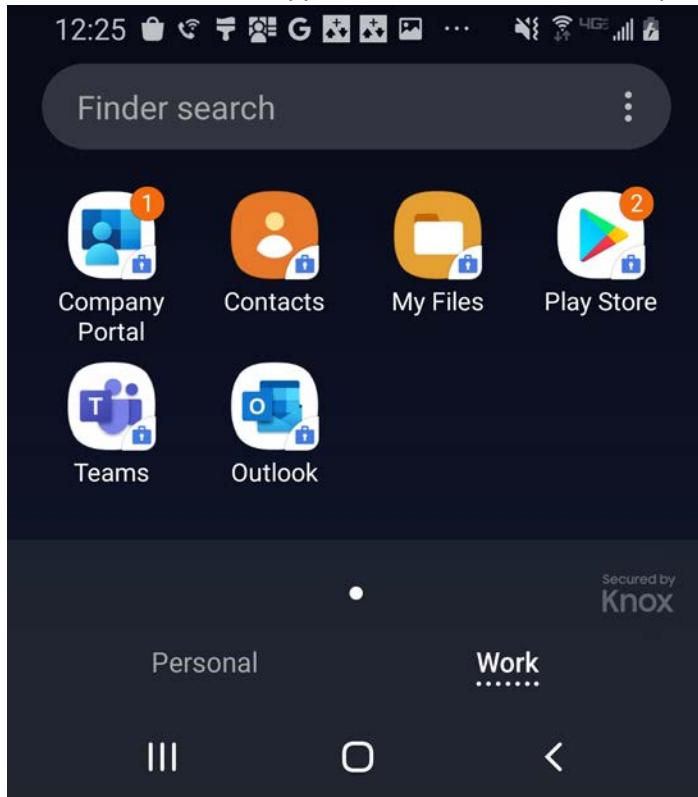

12. Your device is now encrypted with **Intunes**

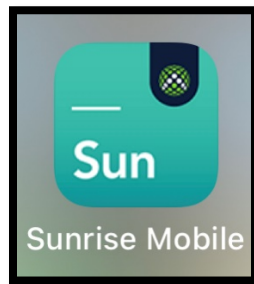

13. The downstate issued applications will be automatically installed in the app drawer

14. Now that **inTunes** is configured, please send an email to [help@downstate.edu](mailto:help@downstate.edu), requesting to have sunrise mobility application pushed to your device.

Please Include:

- Your name
- Healthbridge username
- NPI#
- Role
- Cell phone number
- Serial number of the device you installed inTunes on. This can be found in Setting> About Phone.

This app will be pushed to your device
