APPLY

EARLY MEDICAL EDUCATION PROGRAM, at SUNY Downstate Health Sciences University, is a 2 summer initiative aimed at increasing the competitiveness of pre-medical students, by providing MCAT preparation and academic support. Students will learn time and stress management skills. The program is currently offered in a hybrid format.

## PROGRAM HIGHLIGHTS

### Summer Session I

- Stipend is subject to the availability of funds
- MCAT Boot Camp
- MCAT exam

### Summer Session II

- Stipend is subject to the availability of funds
- Pre-matriculation program providing an overview of the first few weeks of medical school material

## ELIGIBILITY REQUIREMENTS

- U.S. Citizens of Permanent residents
- Educationally or financially disadvantaged
- Currently enrolled in one of our affiliated colleges
- Seniors
- Science GPA 3.4 and non-science 3.5
