THE OUTCOME

Successful participants of EME are awarded **conditional acceptance** to SUNY Downstate's College of Medicine.

The **Early Medical Education Program (EME)** at SUNY Downstate Health Sciences University is a two-summer initiative that makes pre-medical students more competitive by providing MCAT preparation and academic support. Students also learn time and stress management skills. The program is currently offered in a hybrid format.

PROGRAM HIGHLIGHTS

1 Summer Session I

- ◆ MCAT Boot Camp
- ◆ MCAT exam
- ◆ Stipend (subject to the availability of funds)

2 Summer Session II

- ◆ Pre-matriculation program providing an overview of the first few weeks of medical school material
- ◆ Stipend (subject to the availability of funds)

ELIGIBILITY REQUIREMENTS

3.5 MINIMUM GPA
Science 3.5 and non-science 3.5

- ◆ U.S. citizens or permanent residents
- ◆ Educationally or financially disadvantaged
