## **2022 CAMPUS SECURITY REPORT**

Personal safety is an important concern for everyone. The University Police/Public Safety Department shares this concern and accepts the responsibility for ensuring the safety of students, staff and visitors, as well as the security of state and personal property. The University Police Department publishes this report to inform the Downstate community about campus security policies (such as policies regarding sexual assault, alcohol, and other drugs), and provides statistics for the previous three years concerning reported crimes that occurred on and around campus. This report complies with the *Jeanne Clery Disclosure of Campus Security and Crime Statistics Act* (the “Clery Act”), which is found in section 485(f) of the Higher Education Act.

The State University of New York Downstate Health Sciences University (hereinafter “SUNY Downstate,” “Downstate,” or the “Institution”) is located in New York City. Like other people living and working in urban areas, members of the Downstate community must take common-sense precautions to avoid becoming a crime victim. The major portion of crime on campus is directed against property rather than the person and, comparatively speaking, the incidence of all crime on campus is low.

**Campus policy encourages every member of the campus community to report a crime promptly to the University Police Department.**

### **CRIME REPORTING**

The University Police Department (“UPD”) is the law enforcement agency on campus and as such, University Police Officers have all police powers of arrest under the New York State Penal & Criminal Procedure Laws. UPD records and investigates all complaints of on campus crimes against staff, students and visitors. UPD also has a written memorandum of understanding with the New York City Police Department, which deals with jurisdiction issues and areas of responsibility. Statistical information is forwarded monthly to the Division of Criminal Justice Services in Albany, New York for inclusion in the FBI Uniform Crime Report.

As part of SUNY Downstate’s standard orientation process, all students and staff – at all levels – are advised to promptly report any crime, on or off campus, to UPD. SUNY Downstate has detailed policies regarding reporting domestic crimes and workplace violence, and encourages and assists all in reporting crime to UPD, the New York City Police Department and/or any other police agency.

Potential criminal actions and other emergencies on campus should be reported promptly and directly by any student, faculty member or employee to the University Police/Public Safety Office by dialing campus extension 2626 (full telephone number: **718-270-2626**). Upon receipt of the call, UPD personnel are dispatched immediately to the site of the complaint and, as noted above, University Police Officers have the authority to make arrests if necessary.

Members of the campus community can also report incidents to the following offices:

- Dean, College of Medicine (718-270-1102)
- Dean, School of Graduate Studies (718-270-2740)
- Dean, College of Nursing (718-270-7632/718-270-7600)
- Dean, School of Health Professions (718-270-7701)
- Dean, School of Public Health (718-270-1065)
- Vice President for Academic & Student Affairs & Dean of Students (718-270-2187)
- Interim Director of Student Life (718-270-2484)
- Director of Residential Life and Services (718-270-2798)
- Chaplain Services (718-270-2594)

Please note that these offices allow victims and witnesses to report crime on a confidential basis. Reports of this nature are filed with UPD for informational purposes, but there is no formal investigation of the incident. Counselors at the Student Counseling Service who are informed by persons they are counseling of the commission of a crime may also inform that person that crimes can be reported to the Vice President for Student Affairs & Dean of Students Office on a confidential basis for inclusion in the university's crime statistics only.

Victims of off-campus incidents are strongly urged to call 911 first, and then to notify the University Police/Public Safety Office at 718-270-2626.

### **UNIVERSITY POLICE DEPARTMENT POLICIES / PROCEDURES**

The University Police Department maintains a proactive approach toward reduction and suppression of crime on campus. UPD personnel are assigned to:

- Entrances to each building;
- Patrol in each building;
- Booths located in areas of high pedestrian traffic; and
- Radio-equipped motor patrol vehicles.

UPD's primary role is to function as a deterrent to criminal activity, notify the emergency unit required at the scene of an incident (Fire, EMS, etc.), and render assistance to any victim(s).

In addition to uniformed patrols, the Department takes the following initiatives to ensure a safe environment for all concerned:

#### ❖ **Identification/Facility Access**

Faculty, staff and students are required to present Downstate identification cards when entering our facilities and to prominently display it at all times while on campus. Visitors are issued temporary visitor passes, which also must be displayed.

#### ❖ **Increased Lines of Communication**

There is a network of emergency telephones (red) conveniently located throughout Downstate Health Sciences University. In addition, there is also a network of panic alarms located at various places, including corridors, laboratories, rest rooms and on-call rooms. Both the "red" phones and panic alarms are linked directly with the University Police/Public Safety Department and are monitored 24 hours per day to ensure a quick response to all emergencies.

#### ❖ **Shuttle Service**

The University Police Department oversees free shuttle service for the safety of all faculty, staff and students.

Shuttle services to and from campus parking lots and transportation hubs are available Monday-Friday (excluding holidays) from **5:00 AM to 10:00 AM**.

Shuttles will stop and depart regularly from the UHD (445 Lenox Road), HSEB (395 Lenox Road), PHAB (450 Clarkson Ave), and Outpatient Services (470 Clarkson Ave) on a continuous loop to each of our campus parking lots, and to the following transportation hubs, from **2:00 PM until 1:30 AM**.

- Nostrand Avenue & Winthrop Street—IRT 2 & 5 Trains, B44 Bus
- Church Avenue & Nostrand Avenue—IRT 2 & 5 Trains, B35 & B44 Bus
- Church Avenue & East 18th Street—BMT B & Q Trains
- Parkside Avenue & Ocean Avenue—BMT B & Q Trains

There are three local shuttle routes (**Black**, **Red**, and **Blue**). You can find information on the appropriate shuttle for your stops on your mobile phone using the DoubleMap app (<https://apps.apple.com/us/app/doublemap-bus-tracker/id493867628>)

Additionally, we provide transportation to our satellite locations, Family Medicine, and Midwood Eye Center. We also make daily scheduled trips to the VA Hospital, Downstate Bay Ridge, Maimonides, and Brookdale Hospital.

**On-demand shuttle/transportation service** to/from previously mentioned transit locations is available during the following hours:

- **10:00 PM until 6:00 AM**
- **10:00 AM until 2:00 PM**

**Please call Ext. 2626 (718-270-2626) to request on-demand transportation service.**

Chief Maldonado or his designee must approve any special requests for shuttle services or destinations beyond those mentioned. Please call (718) 270-3161 for more information about special requests.

All passengers must tap their **Downstate ID** on the access reader when boarding the shuttle. This information will be used to quantify shuttle usage. Transportation Manager Andre Sterling may be reached at **(718) 270-4051** or **(718) 703-5934** if you have any questions.

**University Police / Public Safety: 7 days a week from 11:00 PM - 6:00 AM**

University Police escort service is available upon request. Call (718)-270-2626 to request service.

For more information visit: <https://www.downstate.edu/about/our-administration/university-police/transportation-shuttle-services.html>

❖ **Closed Circuit Television System**

A CCTV system monitoring the interior and exterior of the Downstate campus is an important tool in safety and security and is used by the University Police / Public Safety Department.

❖ **Perimeter Lighting**

Additional high-intensity lighting has been installed on exterior areas of the campus to supplement that already provided by the city.

❖ **Package Inspection**

To ensure the security of state property, the University Police/Public Safety Department supervises the removal of equipment and other state property from Downstate. An "Equipment Removal Form," signed by an authorizing agent along with identification of the person removing the property, is required. A "Personal Property Form" is prepared when personal property (radio, television, etc.) is brought into the Institution and this form is used to identify ownership when the property is being removed.

❖ **Inter-agency Relationship**

The staff of the University Police/Public Safety Department has established and maintains clear and continuous channels of communication with local law enforcement agencies.

**EMERGENCY RESPONSE**

SUNY Downstate's leadership is trained in assessing emergency situations, appropriately responding to said emergencies, and initiating necessary communication with those immediately impacted by the event and the greater campus community.

The Chief of University Police is responsible for determining the level of an incident. In the absence of the chief, the assistant chief, deputy chiefs or lieutenants, respectively, will make appropriate consults and level determinations. If there is a serious or immediate threat to the health and safety of the campus community, the emergency response protocol will be enacted as appropriate to the situation.

In the event of an immediate threat to the health and safety of our students, faculty and staff, SUNY Downstate has in place a current Standard Operating Procedure and Emergency Response Plan. Evacuation procedures and emergency notification procedures allow notification of an emergency by an overhead loudspeaker system in the Residence Halls, Health Science Education Building (HSEB), Basic Sciences Building (BSB) and University Hospital of Brooklyn (UHB). The *Send Word Now System* will be used to notify participating individuals' cell phones of the emergency and any other information needed for safety. Testing is conducted quarterly by the Information Technology Group.

Awareness messages are also distributed via campus e-mail, voicemail messages, and/or general handouts at facilities' entrances.

**DISSEMINATION OF INFORMATION**

Information regarding personal safety is disseminated to staff and students with a constant theme of adjustments in lifestyle, responsibility for one's actions, and current conditions that affect personal safety, via:

- Orientation of new employees and students;
- Guest lectures;
- Crime awareness presentations, surveys, seminars, and memoranda;
- Articles in campus-wide brochures;
- University Police/Public Safety Department website (<https://www.downstate.edu/about/our-administration/university-police/>)

The Daily Crime Log lists crimes that occur on campus which is available for the public to view. This log can be viewed at the University Police Department's Main Office in the Hospital Lobby during normal business hours.

The Daily Fire Safety Report Log lists (by date) any fire reports that occurred in an on-campus student housing facility. Entries are generally made within two business days after the event occurs. As with the Daily Crime Log, this log can be viewed at the University Police Department's Main Office in the Hospital Lobby during normal business hours.

**DOWNSTATE COMMUNITY MEMBER RESPONSIBILITY**

Isolation can occur almost anywhere on campus, depending on such circumstances as the time of day, day of the week, etc. A few common-sense tips to avoid isolation are:

- Walk and travel in groups, if possible.
- Use University Police/Public Safety shuttle service.
- Recognize that the University Police/Public Safety monitors its telephone switchboard 24 hours per day and that red telephones have direct contact with University Police without dialing. Be aware that University Police/Public Safety has emergency alarm buttons throughout UHB, BSB, HSEB, and the Student Center and residence halls which, if activated, dispatch University Police personnel to investigate.

Downstate community members are reminded that individuals' actions are the most important element of any security program.

## **SEXUAL HARASSMENT, RAPE, AND OTHER OFFENSES OF SEXUAL VIOLENCE**

Downstate is committed to maintaining an environment in which students, faculty, staff, and guests can work and learn together free of all forms of harassment, exploitation, and intimidation. Downstate strongly condemns sexual harassment in any form. Also unacceptable is any conduct, such as sexual assault or rape, that constitutes a criminal offense.

### **Consent**

Under New York State Law, **Affirmative Consent** is defined as a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.

Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act. Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol. Consent may be initially given but withdrawn at any time. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent. Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm. When consent is withdrawn or can no longer be given, sexual activity must stop.

SUNY Downstate recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence (including but not limited to domestic violence, dating violence, stalking, or sexual assault) occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Downstate strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to Institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to SUNY Downstate officials or law enforcement will not be subject to SUNY Downstate's code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault. Note: students in clinical programs may be subject to professional standards beyond the campus conduct code. See **Appendix III of the [Student Handbook](#)** for more information.

### **Violence Against Women Act (VAWA) Crimes**<sup>1</sup>

**Dating Violence** is any violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship is determined based on the reporting party's statement, the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

**Domestic Violence** is a felony or misdemeanor crime of violence committed by any of the following individuals: current or former spouse or intimate partner of the victim; or a person with whom the victim shares a child in common; or a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; or a person similarly situated to a spouse of the victim under the domestic or family laws of the jurisdiction in which the crime of violence occurred; or any other person against an adult or youth victim who is protected under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

---

<sup>1</sup> Note that the following definitions are drawn from the Violence Against Women Act. New York State does not specifically define "dating violence." New York State definitions of crimes related to sexual assault are listed in Appendix A.

**Stalking** is intentionally engaging in a course of conduct, directed at a specific person, which is likely to cause a reasonable person to fear for his or her safety or the safety of others or cause that person to suffer substantial emotional damage. Examples include, but are not limited to, repeatedly following such person(s), repeatedly committing acts that alarm, cause fear, or seriously annoy such other person(s) and that serve no legitimate purpose, and repeatedly communicating by any means, including electronic means, with such person(s) in a manner likely to intimidate, annoy, or alarm him or her.

Such behavior is prohibited by University policy, as well as federal and New York State law. Downstate will take action as needed to prevent, and, if necessary, discipline behavior that violates this standard of conduct. A victim's academic and living situations will be changed upon request if reasonably available. Note that information concerning registered sex offenders (Megan's Law) transmitted to this campus by the New York State Division of Criminal Justice Services, if any, will be available at the University Police Office.

The Institution has programs to prevent domestic violence, dating violence, sexual assault, and stalking. Among its preventative measures are the availability of panic alarms and simplex type locks in on-call rooms, an escort service upon request, and increased lines of communication through its red phone system. When an incident of domestic violence, dating violence, sexual assault, or stalking is reported, the Institution will provide victims with a written notice of available options, remedies, and services.

### **EDUCATION PROGRAMS REGARDING CRIMES OF SEXUAL VIOLENCE AND VAWA CRIMES**

Downstate has education programs to promote the awareness of rape, acquaintance rape, dating violence, domestic violence, sexual assault, and stalking. These education programs include primary prevention and awareness programs for all incoming students and new employees. These education programs will include: a statement that these crimes are prohibited at the Institution; definitions of consent, domestic violence, dating violence, sexual assault, and stalking in the Institution's jurisdiction; safe and positive bystander intervention when there's a risk of one of those incidents; information on risk reduction to recognize warning signs of abusive behavior and avoiding potential attacks; and information about institutional disciplinary procedures.

### **PROCEDURES FOR SURVIVORS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING**

Allegations of sexual abuse should be promptly reported to University Police/Public Safety and the NYC Police Department to ensure that the individual receives prompt medical and psychological attention, to increase the reporter's credibility as a complainant, and to increase the chance of preserving evidence. **University Police staff will provide prompt and supportive assistance to the reporter/victim at all stages of the investigation.**

Survivors/victims of these crimes will be provided written information about evidence preservation, how and to whom to report these crimes, options about involvement of law enforcement and campus authorities, and assistance in notifying law enforcement (if the victim chooses), as well as the option to decline to notify authorities. Victims will also be provided information in writing about rights and institutional responsibilities regarding no contact orders, orders of protection, or other available applicable options, regardless of whether the offense occurred on or off campus.

- **Evidence preservation:** In order to best preserve evidence, victims should avoid showering, washing, changing clothes, combing hair, drinking, eating, or doing anything to alter physical appearance until after a physical exam has been completed. Victims should strive not to touch or alter any evidence of struggle, even if the assault took place at the victim's home. Victims are encouraged to go to a safe place and to ask a friend to join them.
- **Reporting:** Victims should report to University Police, BSB, Room 1- 85A (phone number: 718-270-2626). If off-campus, victims should call 911 in addition to contacting University Police. Every effort will be made to ensure confidentiality.
  - Allegations of sexual harassment should be reported to the Office of Diversity and Inclusion (718-270-1738), or, if a student is involved, to the Office of Student Affairs (718-270- 2187).
- **Notifying Law Enforcement:** Victims have the right to notify law enforcement, and University Police can assist in notifying law enforcement if victims choose. Victims may

also choose to decline to notify authorities.

The Institution provides written notification to students and employees about existing and available counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services available in the community and on campus to victims of dating violence, domestic violence, sexual assault, and stalking. The Institution will also provide information about these services in writing to reporters/victims of these crimes, to include an explanation of applicable disciplinary procedures, confidentiality measures, and reasonable and available options and assistance with changing academic, living, transportation, and working situations, regardless of whether the victim chooses to report the crime to law enforcement.

The Institution will maintain as confidential any accommodations or protective measures provided to the victims so long as it does not impair the Institution's ability to provide such measures. Personally-identifiable information about reporters/victims will not be included in any publicly available record-keeping, including the reporting and disclosure of crime statistics.

### **PROCEDURES FOR INSTITUTIONAL DISCIPLINARY PROCEDURES IN CASES OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING**

SUNY Downstate's disciplinary procedures will provide a fair, prompt, and impartial process from investigation to final result. The investigation and any hearing will be conducted by those who receive annual training on issues related to VAWA crimes, how to conduct an investigation, and a hearing process that protects victim safety and promotes accountability.

Parties are entitled to the same opportunities to have an advisor of their choice present at any hearing and related meetings. There is no limit to the choice of an advisor; however, the parties are responsible for presenting evidence on their own behalf. Advisors may speak privately to their advisee during the proceeding, and cannot present evidence or cross-question witnesses. Both parties will be informed simultaneously in writing of the outcome of the process, the availability of any appeal procedures, and when the results become final after any appeals.

As outlined in the [Student Handbook](#), Downstate is committed to providing options, support, and assistance to reporters of sexual violence to ensure that they can continue to participate in Institution- wide programs, activities, and employment. All survivors of these crimes and violations, regardless of race, color, national origin, religion, creed, age, disability, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence status, or criminal conviction, have uniform rights, regardless of whether the crime or violation occurs on campus, off campus, or while studying abroad. All Downstate Students have the right to:

1. Make a report to local law enforcement and/or the New York State Police.
2. Have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously.
3. Make a decision about whether or not to disclose a crime or violation and participate in the judicial or conduct process and/or criminal justice process free from pressure from the institution.
4. Participate in a process that is fair, impartial, and provides adequate notice and a meaningful opportunity to be heard.
5. Be treated with dignity and to receive from the institution courteous, fair, and respectful health care and counseling services, where available.
6. Be free from any suggestions that the reporting individual is at fault when these crimes and violations are committed, or should have acted in a different manner to avoid such crimes or violations.
7. Describe the incident to as few institutional representatives as practicable and not to be required to unnecessarily repeat a description of the incident.
8. Be free from retaliation by the institution, the accused and/or the respondent, and/or their friends, family, and acquaintances within the jurisdiction of the institution.
9. Access to at least one level of appeal of a determination.
10. Be accompanied by an advisor of choice who may assist and advise a reporting individual, accused, or respondent throughout the judicial or conduct process including during all meetings and hearings related to such process.
11. Exercise civil rights and practice of religion without interference by the investigative, criminal justice, or judicial or conduct process of the University

SUNY Downstate will conduct a timely review of all complaints of domestic violence, dating violence, and/or stalking in accordance with policy. Absent extenuating circumstances, review and resolution is expected to take place within sixty (60) calendar days from receipt of the complaint. The college will make every effort to be responsive and sensitive to the reporters and victims of these serious crimes. Protection of the victim and prevention of continued trauma is the Institution's priority. Changes to room assignments, classes, and other assignments which include both the victim and alleged perpetrator will be changed, whenever possible. The Institution may also issue a no contact or other restriction pending a hearing.

SUNY Downstate will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18 of the United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding against a student who is the alleged perpetrator of said crime or offense. If the alleged victim is deceased as a result of said crime of offense, the next of kin of the victim shall be treated as the alleged victim for the purposes of this paragraph.

In addition, when, in the judgment of a Student Affairs Dean (Associate Dean, or Assistant Dean) and/or the Assistant Vice President of Student Life (or designee), the continued presence of a student charged with a violation of SUNY Downstate policy presents an immediate danger to the fulfillment of the educational mission of the Institution, or to the life, health, welfare, safety or property of any member(s) of the SUNY Downstate community, the student may be subject to a change in student status including immediate denial of campus residency and/or suspension from the College pending the outcome of a disciplinary hearing, which shall be scheduled as expeditiously as possible. See *Rules of Student Conduct* in Appendix IV of the [Student Handbook](#).

Such a recommendation would be communicated to the Vice President for Academic & Student Affairs and Dean of Students, or designee, who will review the recommendation and gather and consider whatever additional information, may be needed; and will determine if any change in status, such as interim suspension, is warranted. Notification of any change of the student's status and the reasons for it will be communicated to the student, in writing, within 24 hours of the decision. The student will be provided with a formal charge letter and the terms of the immediate action changing student status.

This action may be taken, but is not limited to, situations which occur on or off campus, involving physical violence, drugs and other controlled substances, criminal or other illegal acts.

The standard of proof in all disciplinary cases, including those involving sexual harassment and sexual assault cases, is "preponderance of the evidence," which asks whether it is "more likely than not" that the incident of sexual harassment or sexual violence occurred. If the evidence presented meets this standard, then the accused should be found responsible.

### **SANCTIONS FOR VAWA CRIMES**

Students found to have violated Downstate's sexual violence policies after investigation are subject to discipline. See Appendix III in the [Student Handbook](#). Following a final determination of an institutional disciplinary procedure for cases of rape, acquaintance rape, dating violence, domestic violence, sexual assault, or stalking, sanctions or protective measures may be imposed. Students may also be subject to criminal prosecution under the New York State Penal Law.

Downstate reserves the right to have charges initiated through the disciplinary process against any student charged or convicted of breaking civil or criminal law, such as sexual assault. The disciplinary committee may recommend that a warning letter be issued, place a person on probation, remove privileges, or assign community service. A student may be suspended for all or part of a year or dismissed from the Institution. If this matter is handled in an on-campus disciplinary forum, the accuser and the accused are entitled to the same opportunities to have others present during such hearing. In addition, both the accuser and the accused shall be informed of the outcome of any disciplinary proceedings brought alleging sexual assault.

Faculty and staff accused of violations of the Downstate's sexual violence policies receive hearings and, if found guilty, are subject to discipline under the provisions of the applicable collectively negotiated agreements and established SUNY grievance procedures. They may also be subject to criminal prosecution under the New York State Penal Law.

**Sex Offender Information**

In New York, when released to the community after conviction for a registerable offense, a sex offender is required to register with the Division of Criminal Justice Services (DCJS). Level 1 offenders must register for a minimum of twenty years; level 2 and 3 offenders must register for life. By law, only information about higher-risk offenders (levels 2 and 3) is publicly-available online. DCJS is responsible for maintaining the New York State Sex Offender Registry, which is accessible online at: <https://www.criminaljustice.ny.gov/nsor/>

Registered sex offenders are assigned a [risk level](#) by judge after a court hearing:

- Level 1 (low risk of re-offense)
- Level 2 (medium risk of re-offense)
- Level 3 (high risk of re-offense)

By law, only Level 2 and Level 3 sex offenders are included in [DCJS' online directory](#). The state's NY-ALERT system, accessible through the DCJS' Sex Offender Registry, can notify users whenever a Level 2 or Level 3 sex offender, listed in the online directory, moves. Users can also access information about Level 1 offenders and offenders whose risk levels have not yet been determined by a judge by:

- Calling 800-262-3257, between 8 a.m. and 4:30 p.m., Monday through Friday (excluding legal holidays).
  - Callers must have an individual's name and one of the following – an exact address, date of birth, driver's license number, or Social Security number – to learn if that individual is on the Registry.

**CRISIS INTERVENTION RESOURCES****Internal**

SUNY Downstate's Counselors, when acting as such, are not considered to be Campus Security Authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

**SUBSTANCE ABUSE PROGRAM FOR STUDENTS**

A standing, campus-wide Substance Abuse Committee (SAC), reporting directly to the President, provides the overall operation and coordination of the Substance Abuse Program for Students.

Membership of the SAC consists of faculty, staff, and students from the colleges at SUNY Downstate. The functions of the Committee are to plan and coordinate educational programs, outreach and extracurricular activities around the issues of alcohol and other drug abuse, and to manage the Substance Abuse Program for Students. For more information, contact the pre-recorded information line at 718-270-4545 or refer to Appendix III in the [Student Handbook](#).

The University Police/Public Safety Departments vigorously enforce laws (both federal and state) regulating underage drinking, the use of controlled substances, and weapons. Illegal drugs are not permitted on campus. Downstate maintains an Employee Assistance Program for faculty and staff needs, and a full-time counselor for students. Additional information is available from the Human Resources Department, the Student Affairs Office, the Student Handbook and/or the Institution's main webpage (<http://downstate.edu>).

## **FIREARMS POLICY**

Firearms and dangerous weapons of any type are not permitted on campus, with the exception of law enforcement personnel. Criminal intentional use, possession or sale of firearms, or other dangerous weapons is strictly forbidden.

## **RESIDENCE HALLS**

SUNY Downstate believes that the residence halls provide students with an important part of their educational experience.

In the residence hall environment, students can explore the varied relationships and lifestyles necessary in order for them to develop as well-rounded individuals. It is a place where students live, learn, and relax within a setting that stresses both individual freedom and community responsibility. Downstate's residence life program is designed to enhance these experiences.

The Head Residents and Resident Assistants are Downstate's representatives in this environment and they share in the responsibility for fostering growth in all areas, particularly in activities outside of the classroom. Additionally, the student staff, in conjunction with the professional management staff and the Facilities Management and University Police staffs, are responsible for providing safe, secure, and well-maintained facilities for Downstate's students.

### **Residence Hall Security**

Downstate has two, two-hundred bed residential buildings available for occupancy by its student population. The following security and safety systems are currently in place:

1. 24-hour coverage by University Police/Public Safety Department personnel at the main entrance;
2. CCTV equipment in specified common areas;
3. Electronically locked main entrance doors, which require a coded key card for access;
4. A panic alarm system on each floor (common areas) and in all public basement areas;
5. Fire extinguishers in all common areas;
6. A pull-station fire alarm system;
7. Hard-wired local-alarm, smoke detectors in each student room; and
8. Peepholes and chain locks on each room entry door.

### **Missing Students**

Students who reside on campus are encouraged to identify a person who University personnel should contact in the event they are determined to be "missing." Such contact information may be sent via email or written notification to the Office of Residential Life, at [residentiallife@downstate.edu](mailto:residentiallife@downstate.edu), or by returning the request for missing person contact information sheet to Residential Life staff.

Missing persons should be reported directly to University Police. **Do not wait if you believe a student is missing.** Federal law states that the campus is required to provide missing person notification to: 1) all local police agencies; 2) the student's designated contact person if provided; and 3) parents of students under 18 years of age. University Police immediately conducts an initial investigation and if after a reasonable period of time (not more than 24 hours), the student has not been located, University Police will proceed with the required notifications. The sooner the investigation begins, the better chance of locating the missing person.

## **CAMPUS FACILITIES POLICIES**

Facilities Management and Development provides three main physical plant services to the campus: power plant, trade shops, and building services. These three specialties are responsible for all aspects of the physical plant, regular maintenance, repairs, and emergency repairs with a great concern for safety and security.

Repair calls concerning the greater welfare and safety of the Downstate community (including repair of high-intensity lighting, broken locks and windows, etc.) are given the highest priority. Campus facilities are inspected on an ongoing basis. Any maintenance problems should be reported to the Maintenance Operations Center (MOC) located in Room B-6, Basic Science Building on a "work request form." Any unsafe condition that requires immediate attention can be called in to the MOC at extension 1212.

<sup>2</sup> The Clery Act delineates what violations need to be reported. Unless otherwise specified, offense definitions are excerpted from the Uniform Crime Reporting Handbook.

<sup>3</sup> Note that New York State definitions for sex offenses differ slightly from those required for the Annual Security Report, as those are based on two structures: the FBI Uniform Crime Reporting (UCR)/National Incident-Based reporting system (NIBRS) definitions. For a complete series of definitions and penalties under New York State statutes, refer to Article 130 (Sex Offenses) of the New York State Penal Law, as listed in Appendix A.

In addition to disclosing statistics for the aforementioned offenses, the Clery Act requires institutions to disclose **violations of the law resulting in arrests or persons being referred for disciplinary action** in the following categories:

- ❖ **Weapons: Carrying, Possessing, etc.** – The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices or other deadly weapons. This classification encompasses weapons offenses that are regulatory in nature.

As previously noted, *all incidents of criminal activities or other emergencies on campus should be directly and promptly reported to University Police at 718-270-2626*, and all victims and witnesses are urged to cooperate with reporting policies so that a thorough investigation can be conducted and appropriate action taken to aid in the prevention of similar incidents.

The State University of New York Downstate Health Sciences University does not have any off-campus facilities which are owned or controlled by a student organization. All Downstate-owned facilities, whether or not contiguous, are considered on campus.

## **HATE CRIMES**

A hate crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin. For Clery Act reporting purposes, hate crimes include any previously listed, as well as the following offenses if they include an element of bias:

- ❖ **Larceny-Theft:** The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Constructive possession is the condition in which a person does not have physical custody or possession, but is in a position to exercise dominion or control over a thing.
- ❖ **Simple Assault:** An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggregated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.
- ❖ **Intimidation:** To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack. (To be the victim of intimidation, one does not have to be the intended target of the offender.)
- ❖ **Destruction/Damage/Vandalism of Property:** To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

### **Hate Crime Statistics 2019 – 2021**

In **2021**, zero hate crimes were reported.

In **2020**, zero hate crimes were reported.

In **2019**, zero hate crimes were reported.

## **UNFOUNDED CRIMES**

A crime is considered unfounded for *Clery Act* purposes only if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless. A reported crime cannot be designated "unfounded" if no investigation was conducted or if the investigation was not completed. Nor can a crime report be designated unfounded merely because the investigation failed to prove that the crime occurred; this would be an inconclusive or unsubstantiated investigation. Rather, the determination to unfound a crime can be made only when the totality of available information specifically indicates that the report was false or baseless.

In **2021**, one crime was unfounded.

In **2020**, zero crimes were unfounded.

In **2019**, zero crimes were unfounded.

## INTRODUCTION

The Annual Fire Safety Report is prepared by the Department of Environmental Health & Safety (“EH&S”). EH&S works collaboratively with the University Police Department (UPD) and other staff to develop and implement the policies, procedures, training programs, inspections, and other activities that comprise SUNY Downstate’s comprehensive fire safety program to assure the safety of students, faculty and staff.

SUNY Downstate’s Residence Halls -- its only on-campus student housing facilities – are located at 811 & 825 New York Avenue, Brooklyn, NY 11203. This Annual Fire Safety Report contains SUNY Downstate’s fire safety-related policies and procedures, as well as statistics for reported fires in on-campus student housing facilities for the last three years (see page 21).
