What is the Compliance Line?

The Compliance Line is a simple way for you to report activities that may involve ethical violations or criminal conduct.

The Compliance Line is managed and operated by an independent communications firm hired by DMC to ensure the integrity and objectivity of compliance reporting.

Why is it Important?

DMC is committed to conducting business in compliance with all applicable laws. The Compliance Line, with the support of all DMC team members, is an effective way to report activities that may be in violation of the law.

What Should I Report?

Report your concerns or suspicions of possible violations related to:

- Medicare/Medicaid fraud/abuse-
- Fraudulent billing-
- Professional & business ethics-
- Professional standards of practice-
- Resident work hours & supervision-
- Patient confidentiality-
- Patient rights-
- Conflicts of interest-
- Bribes & Kickbacks-
- Substance abuse-
- Harassment/Discrimination-
- Human Subject & Animal Protection-
- Scientific Misconduct-

READY TO REPORT...

What’s the First Step?

You should first report your suspicions to your supervisor. If you believe that your supervisor is involved, or if your previous reports have not been acted upon, you should consider reporting your suspicions to the officials/departments responsible for the concern, for example:

Concern	Responsible Dept.
Criminal conduct.....	Public Safety
Patient rights.....	Patient Relations
Substance abuse.....	Labor Relations
Discrimination...Opportunity and Diversity	

If you are dissatisfied with the response, or if you’d prefer to report anonymously, you can report **AT ANY TIME** to DMC’s Compliance Line.

What Happens When I Report?

When you make a report to DMC’s Compliance Line, by calling or web-reporting, an independent, third party Compliance Line Specialist will answer/receive your concern. The Specialist will document your complaint/concern. A written report will then be generated and sent to DMC’s Office of Compliance & Audit Services (OCAS) for review. If necessary, OCAS will contact the department responsible for the concern to initiate an inquiry. OCAS reports the results of each complaint/concern inquiry back to the Compliance Line Specialist.

There shall be no reprisals for good faith reporting of actual or possible violations.

Do I Have To Give my Name?

NO! You can report without identifying yourself. Calls are not recorded and web-reports are not traceable. A special code number is generated so that you can follow up on the report.

What If I Don't Have All The Facts?

CALL, even if you're not sure there is a problem. OCAS will look into the information you provide, attempt to verify it and take appropriate action.

No disciplinary or legal action will be taken based solely on DMC Compliance Line reports. Only substantiated findings will result in action.
