NOTES:

^Per New York State Education Law, Section 224-a: “Any student in an institution of higher education who is unable, because of religious beliefs, to attend classes on particular day or days shall, because of such absence on the particular day or days, be excused from any examinations or any study or work assignments.” All missed work, **must be made up** at the discretion of the faculty.

Students should contact faculty **well in advance** to request taking time off, including for religious holidays. Arrangements **must be made** for making up academic work missed.

Holidays in Clinical Years

® Students in clinical courses should check with appropriate departments regarding time off. All 3rd and 4th year students will be expected to adhere to the holiday schedules of the department (and hospital site) to which they are assigned. Fourth year students completing subinternships will have clinical obligations which may extend throughout vacation periods. Refer to the [2022-2023 Student Handbook](#) and the [Registrar website](#) for curriculum information pertaining to the Clinical Years.

* The Emergency Medicine Clerkship always begins on a Monday, even on a holiday.

The 2022-2023 Calendar is tentative and is generally not finalized until September due to curriculum adjustments.
