

## **Family Center**

After activating the Emergency-Prepared-Plan for Mass-Casualty Incidents, family members will **not** be allowed into patient care areas and visiting hours will be suspended. Families will **not** be allowed into the ED until visitor restrictions are lifted by the Incident-Command Center. Visiting hours will remain suspended until re-instated by the Incident Commander.

Hospital Police will be instructed to direct all family to the Family Center, located in the U-building lobby.
