

## Fine Needle Aspiration (FNA) Biopsy

You have been referred to **Dr. Jonathan Somma** for FNA biopsy today. Dr. Somma's office will generally contact you within 24-48 hours to schedule the biopsy.

### **OFFICE LOCATION:**

Dr. Jonathan Somma  
**Cytopathology, Room A2-411**  
445 Lenox Road, Brooklyn, NY 11203  
Tel 718-270-1666, Fax 718-270-3331

### **ON THE DAY OF THE BIOPSY:**

Take the main hospital elevators (Lenox Road elevators, which are next to the Gift Shop) to the second floor. The Cytopathology office (Room A2-411) is located near the elevators.

Please bring the following with you:

- This information sheet.
- Identification and insurance card(s).
- BOTH the written report and the actual images (preferably on CD / digital) from any relevant imaging studies (unless they were done at Downstate). For example, Ultrasound / Sonogram, CT, MRI, PET, etc.
- The written referral (or green consultation form) provided to you by your physician.

Please be sure to notify us in advance if you have any difficulties walking.

You can eat, drink and take medications as usual. Most visits will last about 1.5 to 2 hours. Feel free to call us if you have any questions or concerns.

Additional information is available on our website:
