# THE MEDICAL RESEARCH LIBRARY OF BROOKLYN

## Extended Library Hours!

To better support your academic and research needs, we're pleased to announce that the library will now be open later into the evening.

**Starting January 6, 2025, our operating hours will extend to 11:00 PM, Monday through Friday!**

Here's what you need to know:

- **Service Desk Hours:** While the library will remain open late, the service desk hours will stay the same. Be sure to plan ahead if you need assistance from our staff.
- **Information Commons Access:** After the service desk closes, you can still access the Information Commons by swiping your SUNY-ID at the door. This secure entry ensures you'll have access to the study spaces you need.

Whether you're preparing for exams, working on a group project, or just need a quiet place to focus, we're here to help —now with even more flexible hours.

Questions?

Please stop by the service desk during regular hours.
