

DOWNSTATE
SCHOOL OF HEALTH PROFESSIONS

Nurse Practitioners (NPs)
we have some resources for you.

SCHOOL OF HEALTH PROFESSIONS
**Medical Billing
and Coding
Program**

In today's Healthcare world, Business Performance Matters.

Good clinical documentation and appropriate understanding of billing and reimbursement guidelines are critical for proper reimbursement. Therefore, whether you work in a collaborative practice or hold your own Provider Identification Number (PIN), your billing and coding knowledge and skills need to be sharp. The School of Health Professions can help you optimize your knowledge of the business side of healthcare.
