

SUNY

DOWNSTATE | School of Public Health

Medical Center

Name

Semester of Entry

Program Requirements: MPH in Health Policy and Management

The credits required for your degree are listed below. All MPH students must complete 15 credits of MPH Core courses, 12 credits of Health Policy and Management courses, twelve (12) credits of MPH elective courses, one (1) of the Field Experience and two (2) credits of the Culminating Experience. Students must complete the majority of their course work before they can begin the Culminating Experience.

Transfer Courses

A maximum of twelve (12) credits may be approved for program of study transfer credit from other accredited graduate schools. Please refer to the **SPH Student Handbook** for specific information and guidelines regarding the award of transfer credit.

YEAR:

I acknowledge that the courses listed above are the courses I am required to successfully complete to be awarded the Master of Public Health degree from the State University of New York Health Science Center at Brooklyn. The academic policies regarding other components of the degree are published in the SUNY HSCB **Student Handbook** and the **SPH Student Handbook**, and should be reviewed to ensure my academic success.
