

SUNY Downstate Health Sciences University Campus Hazing Transparency Report

Description of Report

The Campus Hazing Transparency report is updated twice a year and includes a summary of incidents involving any student organization for which a finding of responsibility is issued relating to a hazing violation. Each Campus Hazing Transparency Report is maintained for a period of 5 calendar years from the date of publication of each update.

Downstate's Anti-Hazing Policy Statement

Hazing is abusive, degrading, psychologically damaging, and may be life-threatening. It is unacceptable in all forms and has no place in the SUNY Downstate community. Student groups and organizations are important contributors to a vibrant and positive campus life and are expected to act in accordance with the Student Code of Conduct and to treat others with respect. Hazing by individuals and student organizations is prohibited in any form both on campus and off campus.

Definitions

1. Hazing

Any intentional, knowing, or reckless act committed by a person (whether individually or in concert with other persons) against another person or persons regardless of the willingness of such other person or persons to participate, that:

- Is committed in the course of an initiation into, an affiliation with, or the maintenance of membership in, a student organization; and
- Causes or creates a risk, above the reasonable risk encountered in the course of participation in the institution of higher education or the organization of physical or psychological injury.

2. Student Organization

An organization at an institution of higher education (such as a club, society, association, varsity or junior varsity athletic team, club sports team, fraternity, sorority, band, or student government) in which two or more of the members are students enrolled at the institution of higher education, whether or not the organization is established or recognized by the institution.
