

Do you know...

- How much interest will accrue on your student loans while you're a medical student?
- How much your monthly student loan payment will be during residency?
- How long it will take to pay off your student loans?

The MedLoans® Organizer and Calculator provides all the answers ... and it's FREE!

Use your AAMC username and password to log in to the MedLoans® Organizer and Calculator:

aamc.org/medloans

What can FIRST do for you?

- Help you navigate the complexities of paying for medical school.
- Provide resources to expand your financial literacy skills.
- Assist you with wisely managing your student loan debt.

Learn about student loans, financial aid, budgeting, credit, debt management, and more on the FIRST website!
