## NOTE:

With the exception of Thanksgiving Day, and any scheduled vacation time as listed in the academic calendar, all 3rd and 4th year students are expected to adhere to the holiday schedules of the department and hospital site that they are assigned to. Students on subinternships may have clinical responsibilities and time commitments which vary from the academic calendar, and which take precedence. Students must contact faculty to request time off, **in advance**, for religious holidays or other personal obligations (e.g. residency interviews). Arrangements must be made for making up academic work missed.

\*Clerkships scheduled to begin on holiday Mondays (i.e., New Year's Day, Labor Day, President's Day, MLK Jr Day, and Memorial Day, etc.) will start on the Tuesday following the holiday.
