(It is the student's responsibility to maintain and update this advisement record and bring it to meetings with his/her advisor.)

Student ID No. _____

Name _____

Program Requirements

The 40-46.5 credits required for your degree are listed below. This Program of Study form reflects the curricular requirements listed on the **School of Health Professions website (www.downstate.edu)**. Students are responsible for familiarizing themselves with the website, the most recent SUNY Downstate Health Sciences University **Student Handbook** and the individual program student manual.

_____ submit evidence of certification in Neonatal Resuscitation (AAP/AHA) to the Midwifery course (Advisor's Initials/Date) instructor during enrollment in NRMW 5106, Neonatology (Clinical). All students must hold an American Heart Association (AHA) Basic Life Support (BLS) certification, take a basic fetal monitoring course with examination and must hold current certification in neonatal resuscitation (AAP/AHA) prior to taking NRMW 5121 Intrapartum (Clinical)

_____	_____	NRMW 5700	Independent Study	1-3

TOTAL CREDITS REQUIRED

40-46.5

* Registered nurses are exempt from this course as are other health care providers, at the discretion of the faculty. The credits for this course are undergraduate level credits and are not included in the number required for the Advanced Certificate

##This elective must be taken for all 3 semesters. It involves following one family planning a home birth through all prenatal visits, observing the birth, and following the family up to 6 weeks of the postpartum period. It must be taken for 3 semesters unless the family opts out of care or has care transferred to the hospital. Credits for these courses are not included in the number required for the Advanced Certificate.
