Course			May be taken any semester with program approval	
_____	_____	_____	NRMW 5700	Independent Study
				1-3

TOTAL CREDITS REQUIRED

52/55/56.5

* Registered nurses are exempt from this course as are other health are providers, at the discretion of the faculty. The credits for this course are undergraduate level credits and are not included in the number required for the Master’s Degree.

Either Health Care Policy Community Assessment, **NRMW 5403 or International Women’s Health Care Policy **NRMW 5302**, satisfies the requirement for the MS degree in Midwifery.

##This elective must be taken for all 3 semesters. It involves following one family planning a home birth through all prenatal visits, observing the birth, and following the family up to 6 weeks of the postpartum period. It must be taken for 3 semesters unless the family opts out of care or has care transferred to the hospital. Credits for these courses are not included in the number required for the Advanced Certificate or Master’s Degree.

***May be taken in one of two semesters.

+Courses in the MS in Midwifery Completion program.
