

State University of New York Downstate Health Sciences University
School of Health Professions

Post-Professional Master of Science in Physician Assistant

(It is the student's responsibility to maintain and update this advisement record and bring it to meetings with his/her advisor.)

Student ID No _____

Name _____

Program Requirements

This Program of Study form reflects the 30 credits required for the Post-Professional PA Master of Science degree. Students are responsible for familiarizing themselves with the **most recent** SUNY Downstate Medical Center **Student Handbook** and the **SUNY Downstate website** (www.downstate.edu). In addition students are responsible for understanding all departmental requirements.

There are no Clinical Clerkship courses in the Masters Completion Program.

The courses are divided between core Physician Assistant program courses and the required electives from the School of Public Health.
