STATE UNIVERSITY OF NEW YORK DOWNSTATE MEDICAL CENTER SCHOOL OF HEALTH PROFESSIONS MASTERS OF SCIENCE IN MIDWIFERY PROGRAM OF STUDY ACKNOWLEDGMENT FOR FALL MATRICULANTS

Program Requirements

Name

The 50.5-54.5 credits required for your degree are listed below. This Program of Study form reflects the curricular requirements listed on the College of Health-Related Professions website (www.downstate.edu). Students are responsible for familiarizing themselves with the website, the most recent Downstate Medical Center Student **Handbook** and the individual program student manual.

Students must provide proof of certification in Neonatal Resuscitation (AAP/AHA) to the Midwifery course) instructor during enrollment in NRMW 5106, Neonatology. All students must hold an American Heart Association (AHA) Basic Life Support (BLS) certification, take a basic fetal monitoring course with examination and must hold current certification in neonatal resuscitation (AAP/AHA) prior to taking NRMW 5121 Intrapartum.

TOTAL CREDITS REQUIRED 50.5-54.5

Student ID No.

I acknowledge that the courses listed above are the courses I am required to successfully complete to be awarded the degree of Master of Science from the State University of New York Health Science Center at Brooklyn. The academic policies regarding the other components of the degree are published in the SUNY most recent SUNY Downstate Medical Center Student Handbook, and should be reviewed to ensure my academic success.

^{*3} credits of supplemental courses for Direct-Entry Midwifery Track (Required for State Licensure). These courses, or their equivalents, are required only of direct entry students. The credits for these courses are undergraduate level credits and are not included in the number required for the Advanced Certificate or Master's Degree.

^{**}Either Health Care Policy Community Assessment, NRMW 5403 or International Women's Health Care Policy NRMW 5302, satisfies the requirement for the MS degree in Midwifery.

⁺Courses in the MS in Midwifery Completion program.
