Name _____

Program Requirements

The 52-57 credits required for your degree are listed below. This Program of Study form reflects the curricular requirements listed on the **School of Health Professions website (www.downstate.edu)**. Students are responsible for familiarizing themselves with the website, the most recent Downstate Health Sciences University **Student Handbook** and the individual program student manual.

_____ submit evidence of certification in Neonatal Resuscitation (AAP/AHA) to the Midwifery course (Advisor's Initials/Date) instructor during enrollment in NRMW 5104, Neonatology. All students must hold an American Heart Association (AHA) Basic Life Support (BLS) certification, take a basic fetal monitoring course with examination and must hold current certification in neonatal resuscitation (AAP/AHA) prior to taking NRMW 5404 Intrapartum.

TOTAL CREDITS REQUIRED 52/55/57

*A 3 credit supplemental course for Direct-Entry Midwifery Track). This course, or its equivalent, is required only of direct entry students. The credits for this course are undergraduate level credits and are not included in the number required for the Master’s Degree.

Either Health Care Policy Community Assessment, **NRMW 5403 or International Women’s Health Care Policy **NRMW 5302**, satisfies the requirement for the MS degree in Midwifery.

##This elective must be taken for all 3 semesters. It involves following one family planning a home birth through all prenatal visits, observing the birth, and following the family up to 6 weeks of the postpartum period. It must be taken for 3 semesters unless the family opts out of care or has care transferred to the hospital. Credits for these courses are not included in the number required for the Advanced Certificate or Master’s Degree.

+Courses in the MS in Midwifery Completion program.

Anticipated Date of Graduation (Circle Month & Year): May August December 2022 2023 2024
