Name _____

Program Requirements

The 38 credits upper-division program required for your degree are listed below. This Program of Study form reflects the curricular requirements listed on the **College of Health Related Professions • College of Nursing website (www.downstate.edu)**. Students are responsible for familiarizing themselves with the website, the most recent SUNY Downstate Medical Center **Student Handbook** and the individual program student manual.

Transfer Courses

Undergraduate transfer credits may be awarded for statistics and pathophysiology when these courses are comparable to those offered by the College and when they are taken in addition to the 60 prerequisite liberal arts and general education college credits and 27 nursing credits required for admission. Of the five (5) credits required for electives, a maximum of two (2) credits of elective work may be approved for program of study transfer credit from other accredited schools. Courses in the areas of Physical Assessment, Research can be evaluated for equivalence. Please refer to the **most recent Student Handbook** for specific information and guidelines regarding the award of transfer credit.
