

## **Directions to Mediat Patient Portal**

Visit the Mediat Patient Portal to submit your health requirements. Go to SUNY Downstate Health Sciences University Website. Choose " Prospective Student → Student Services → Student Health Center → Scroll down to Mediat Portal, then follow the instructions to log in (this page may take a few seconds to upload).

**Note: For new students, it may take 24-48 hours to receive your Net ID and password which will enable you to log into the Mediat Patient Portal. If you have not received your credentials, please contact our IT department at [help@downstate.edu](mailto:help@downstate.edu).**

### **Step 1:**

- Click on "Forms"
- Download requirements for your program.
- Download health clearance forms for new students, print, complete as required, and scan.
- Have your medical provider sign the Physician's form.

### **Step 2:**

- Click on "Immunization"
- Fill in the dates for each immunization.

### **Step 3:**

- Click on "Upload"
- Upload all completed forms, immunization records, proof of influenza and COVID-19 vaccines, laboratory tests including titer results as PDF documents.

**Note: this will require the help of your medical provider or school nurse, so start early. Make sure your name and date of birth is on every page that is sent to us.**
