If you have any questions, please ask your Council Treasurer or FSA Business Office.
• Annual Med/University Council Joint Planning Budget Meeting: 3/6/19; Save the Date!
  ○ Other Councils typically plan their budgets in a similar timeframe.
  ○ Organizations must be prepared to submit reports on activity and spending; unprepared organizations may not receive funding.
BUDGET INFORMATION

- Clubs/Orgs must have financial accounts only in the Faculty Student Association (FSA).
  - FSA Forms webpage under “financial Documents” (link) has Certified Budgets and most recent SAF $ Reports, also available upon request on recent account activity / balance.
  - If you don’t understand a report, ask for help! eMail or call FSABusinessOffice@downstate.edu

- The Clubs/Org’s Treasurer handles all financial business and payment forms. Supporting documentation such as an original receipt, attendance sheet, and copy of the advertisement must be attached to the payment form.
  - See Payment Form Instructions (link)

- The Treasurer must know the financial status of the organization and the account number when signing payment forms.

- Councils must submit their budget for certification by 5/1/19
• **FSA Payment form** must be used. Exception: Café 101 Catering Form and the Soda Form is used in lieu of the payment form.
  - Obtain blank Payment forms from the FSA forms webpage; assures most current form version.
  - Submit typed Payment form (not hand written) with all necessary information including account number/account title. Attach all supporting documentation, such as meeting minutes, event flyers, attendance where applicable.

• **Obtain all authorized signatures**
  - Often it is the organization’s Treasurer PLUS the Council’s Treasurer, but each Council has different signature requirements that you need to know.
  - The SC Staff will assist in getting the signature of the Council Treasurer, if needed, and will then submit completed documents to FSA Business Office.

• Submit original to Amy Urquhart’s Office
• Keep a copy of your form and receipts.
FSA PAYMENT PROCESS

- Avoid reimbursements whenever possible.

- Plan in advance the time needed for check processing. Checks are normally ready within 2 weeks of submission. Urgent rushes need to be discussed with the FSA Business Office staff. Most common payment delays are payment forms with unclear descriptions, missing supporting documents or authorized signatures.

- Funds must be available in the account.

- Submit the form as soon as an expense occurs. Fiscal year ends 5/31. All payment forms for current fiscal year must be submitted to FSA Business Office by 5/17/19.
SAF Councils and Clubs General Form Instructions (MUST BE TYPED; type online then print. (Chrome browsers require you to download form first, then type and “save as”, then print).  

A. Insert the **Student Council** name that provides the club funding  
B. **Account to be Charged**: insert the complete Account # and Title of that acct # to which this expense is intended to be charged. Some clubs have only one expense account number, while larger clubs may have multiple expense accounts.  
C. **Total Check Amount**: in dollars and cents.  
D. **Check Payable To**: the Vendor or Person’s Full Name to whom the Check is paid to. 
E. **Check box** either “Pick up completed check” or “Mail Check to”, inserting a COMPLETE mailing address.  
F. **Purpose**: Must be detailed enough so that any 3rd party reading the form months or years later can clearly understand the justification and appropriateness. It must clearly explain WHAT was purchased, WHY it was purchased, and WHERE/WHEN it was purchased. Payments directly to vendor with detailed vendor invoice or receipt are often self-explanatory, while a Reimbursement often needs additional explanation. Attach supporting documents:  
   - **Food/Catering** - When using SAF funds for food: • A record of attendance is necessary. Small groups can be described with a total # of persons (ie: a $500 “lunch” may be appropriate for 5-10 people depending upon venue, but would certainly NOT be appropriate for 2 people). • Original detailed invoices paid. • Itemized restaurant receipts with Credit card receipt/statement. • Copy of approved catering order form or contract (if applicable). • Event flyer or announcement sent.  
   - **Individual Services Payment** - Copy of the approved engagement/contract showing the advance agreed upon cost and services to be performed. • Distinguish Contractor payments with any applicable IRS form such as W9. IRS Factors of the Common Law Test (20 Q’s form). May not pay salary, bonuses, or any form of remuneration directly to State employees working as part of their state obligation; Such payments must flow through a State IFR. Account holders who plan to pay employees must discuss in advance with the FSA Business Office and receive advance approval for the appropriate process.  
   - **Travel related reimbursements**: Student Councils often have detailed parameters for travel related costs, and need council meeting minutes approving reimbursements. Indicate purpose of travel, and most economical means of travel shall be used, with supporting receipts. 
   - **Imprinted Clothing**: Coordinate all purchases through University Bookstore. 
   - **Gift Cards**: any type -must clearly justify a purpose as well as the recipient(s) of the said gift and/or gift cards. If recipient is not known up front (prizes at an event), submit recipients immediately following the event. 
   - **Council Approval**: Some transactions and accounts, esp use of “Programs & Projects”, or “Spontaneous” accounts, or additional funding needed, require the Council’s approval by attaching official (signed) Council meeting minutes. Payments from acct titles similar to “programs and projects”, reserve funds, or funding transfers require supporting Council meeting minutes, showing Council approved “motions”. If your Council submitted final signed meeting minutes, they will be posted online at Student Council Meeting Minutes webpage (link). If the Student Council minutes are posted on that webpage, then you don’t need to attach a copy of the minutes. Instead, include words “Approved by (Council name) at their (date) meeting” in the Payment Form “purpose” section.  

G. **Signatures**: Each Council /Club has slightly different authorized signature requirements. You need to know the signature requirements of the council providing funds to your club.  

**Submitting**: Always save a copy of what you submit. 
   - The Student Center Director/Student Activities Office (Stu Ctr Rm 2-06) can assist in getting signatures. They will submit completed signed document to FSA, or 
   - If complete with all attachments and signatures, can be submitted directly @ FSA BusinessOffice (StuCtr Rm 2-09).  
   - If submitting via eMail MUST be from a Dowstate.edu eMail address of authorized signator.

Title IX and NYS “Enough is Enough” Law requires the College to maintain a safe, supportive educational environment that is free from sexual harassment, domestic violence, dating violence or discrimination, based on a student’s protected class.

At SUNY Downstate, we promote and respect diversity. Understanding diversity and discrimination issues, helps keep our campus safe and allows our students to achieve academic and social growth.
Title IX & Education Law §129-b

- Title IX of the Education Amendments of 1972:
  - “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal Financial Assistance.”

- “Enough is Enough” NY Education Law § 129-b of 2015:
  - Prohibits sexual misconduct (i.e. sexual violence, assault, harassment, etc.) in educational institutions.
Scope of Title IX & NYS § 129-b

- Athletics (not applicable at Downstate)
  - Gender discrimination (including pregnancy), gender identity/gender stereotyping
  - Pregnant and/or Parenting Students
  - Sexual harassment/sexual assault/sexual violence/stalking
  - Course Access and Faculty Gender Equity in:
    - Science, Technology, Engineering, and Math (STEM)
What is Gender Discrimination?

- Prejudice or bias that is based on a person’s actual or perceived gender
- The idea that one gender is superior to another gender
- Treating someone as a sexual object based on their gender
- Paying one gender more than another gender for doing the same work
- Viewing a job as a “man’s job” or a ‘woman’s job”
Pregnant/Parenting Student’s Rights

- Title IX prohibits discrimination on the basis of gender—including pregnant and parenting students—in educational programs and activities.

- Students may continue to participate in classes and extracurricular activities through their pregnancy. Schools may implement special instructional programs or classes for a pregnant student, but participation must be completely voluntary on the part of the student, and the programs and classes must be comparable to those offered to other students.

- Professors must provide pregnant/parenting students with reasonable accommodations, that include but are not limited to, frequent restroom trips due to the pregnancy or permission to take a break to pump breast milk if the student is nursing.

- The Professor must excuse absences due to pregnancy or childbirth for as long as the student’s doctor deems it medically necessary.

- Professors should allow students to make up any work missed while students are out on parental leave. Students must be allowed to return to the same academic and extracurricular status as before her medical leave began.
What Is Sexual Harassment?

Sexual harassment is unwelcome conduct of a sexual nature that has the purpose/effect of adversely impacting one’s ability to participate in or benefit from an educational program.

This includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature on or off campus.
What Is Sexual Violence/Assault?

- Sexual violence/assault is any form of sexual contact that occurs *without consent* and/or through the use of force, threat of force, intimidation, or other coercion.

- Sexual violence includes:
  - Sexual assault – unwanted touching, grabbing, pinching, brushing up against another’s body, caressing, etc.
  - Dating, domestic and intimate partner violence
  - Stalking
  - Sexual assault can be committed when someone *has not given or is unable to give consent*, for example, due to intoxication
  - Sexual assault can be a form of sexual harassment
  - Sexual assault is a **CRIME**
Forms of Sexual Violence: Dating/Intimate Partner/Domestic Violence

- Dating/Intimate Partner/Domestic violence is a pattern of coercive behavior that can include physical, psychological, sexual, economic and emotional abuse.

- It can consist of actions or threats of actions that intimidate, humiliate, isolate, frighten, coerce, threaten, blame or hurt someone.

- It can also consist of a single incident of sexual assault.

- Rape or any sexual offense, whether on a date or not, or by someone you know or do not know, is the same criminal offense.
Forms Of Sexual Violence: **Stalking**

Stalking is a behavior directed at an individual that would cause a reasonable person to fear for his/her safety, or to suffer substantial emotional distress.

**Red Flags/Examples:**

- Showing up at an individual’s home or work unannounced or uninvited
- Sending unwanted letters, text messages, emails, voicemails (Facebook, Instagram, Snapchat, DMs, etc.)
- Leaving unwanted items, gifts or flowers
- Constantly calling an individual and hanging up
- Using social networking sites and technology to track an individual
- Spreading rumors about an individual
- Calling an individual’s family/friends, professor, or employer
- Damaging an individual’s home, car, or property

- Stalking is a **CRIME**
Who are Victims of Sexual Harassment and/or Sexual Violence?

- **Anyone** – of any gender, identity, sexual orientation, physical or mental ability, religious affiliation, national-origin, race, class or educational level – can be a victim of sexual harassment and/or sexual assault.

- Sexual harassment and/or sexual violence can occur between members of the same sex/gender.
Affirmative Consent is a knowing, voluntary and mutual decision among all parties to engage in sexual activity.

Consent can be withdrawn at any time.

Consent can be given by words or actions, as long as those words or actions create a clear permission regarding willingness to engage in the sexual activity.
Rules of Engagement

- Each person must clearly communicate his/her willingness and permission to engage in sexual activity.
- A person who is drunk or high may not be able to consent.
- Having sex with a person who is passed out, or slides in and out of consciousness, is rape.
- Failure to resist or say “no,” does not equal consent.
- Silence does not constitute consent.
- Past consent to sexual relations does not constitute consent to subsequent sexual activity.
- A person may consent to certain sexual acts and not others.
- A person’s appearance or dress does not communicate consent.
- A person under 17 years old cannot consent to sexual intercourse under New York law.
Conduct Outside the Workplace/School

- SUNY Downstate students may still be held responsible for discrimination or sexual harassment, even if the conduct occurred off campus, if there is a sufficient nexus to the educational setting.

- Examples:
  - Social interactions with students/employees
  - Off campus school related events
Students who are victims of or observe sexual harassment or violence while under the influence of drugs or alcohol should report the incident and seek medical help.

Victims or bystanders reporting incidents of sexual harassment or violence to SUNY Downstate officials or law enforcement, in good faith, will not be subject to SUNY Downstate’s code of conduct for violations of alcohol and/or drug use policies occurring at or near the time of the incident.

This policy does not protect students from discipline for other misconduct such as sexual assault, drug sales, causing or threatening physical harm, damaging property or hazing.

Similarly, NY’s Good Samaritan Law protects from arrest and prosecution individuals who call 911 when they witness or suffer from a medical emergency involving drugs or alcohol.
Where can I File an Allegation?
