

## SYMPOSIUM

# ALZHEIMER'S & DEMENTIA IN COMMUNITIES OF COLOR

Join us for a symposium that will delve into the disproportionate effect of Alzheimer's and dementia on communities of color. Experts will discuss health disparities, equity in research and care, the role of community-based organizations and what constitutes equitable, dementia-friendly care.

### Schedule and Speakers

8-9 a.m.	Breakfast & Registration
9-9:30 a.m.	Opening Remarks
9:30-10:10 a.m.	Keynote by Carl Hill, Ph.D., MPH, Chief Diversity, Equity and Inclusion Officer, Alzheimer's Association
10:10-10:30 a.m.	Presentation by Michael Reinhardt, M.D., Director, Center of Excellence for Alzheimer's Disease at Downstate
