

# Assemblymember Brian Cunningham invites you to a live discussion about lupus and the kidneys!

Lupus nephritis, a silent but serious complication of lupus, can lead to permanent kidney damage and even kidney failure.

If you, a loved one or a family member are living with lupus or lupus nephritis, join us for this upcoming event to hear more about lupus nephritis from community leaders, a medical expert and a person with lupus nephritis!

**Monday  
June 24, 2024  
5:30pm**

**DOWNSTATE**  
HEALTH SCIENCES UNIVERSITY

**450 Clarkson Ave  
Brooklyn, NY 11203**

Complimentary light meal provided.
