RESEARCH STUDY

- **Do you have PSORIASIS?**
- **Are you between 18 and 70 years of age?**

If you answered yes, you may be eligible to participate in a PSORIASIS research study.

The study involves testing a plant extract cream.

Participation in the study involves 7 study visits within 3 months.

Participants will receive monetary compensation for study participation.

Please call Drs. Neal Gupta or Wei-Li Lee at (718) 270-1229 or (718) 270- 2991 for more information.
