Nira Goldstein, MD
Residency Program Director

Department of Otolaryngology
Downstate Health Science University

Dr. Nira Goldstein will retire at the end of this academic year after 27 years of service to the Department of Otolaryngology and Downstate. To honor Dr. Goldstein's contributions, the Department of Otolaryngology has established **The Nira A. Goldstein M.D., MPH Resident Research Award**, to encourage excellence in research among otolaryngology housestaff. The inaugural award will be decided at the June 5 research day program.

An announcement and donation page has been created to provide continued support for this award:
