Help Improve Community Health at
University Hospital at Downstate

Community Health Survey | May 30 to July 31, 2025

Brooklyn residents ages 18 and older are invited to participate in this anonymous, brief survey.

We are conducting a Community Health Needs Assessment (CHNA) to better serve you and your neighbors. This survey will help us understand what you think are the most important health issues in your community and what matters to you most.

What Is the Survey About?

Hospitals conduct a CHNA to receive input from the community to plan services and improve health outcomes for all.

If you have any questions, please contact [**communityrelations@downstate.edu**](mailto:communityrelations@downstate.edu).

Thank you for taking the time to make your voice heard on behalf of your community.

To take the survey, scan the QR code or visit [**www.gnyhasurveys.org/CHNA**](http://www.gnyhasurveys.org/CHNA)
