Virtual

Medication Safety: Identifying and Preventing Errors (with nursing CE hours) – Virtual

This half-day virtual workshop discusses how to reduce medication errors and the efficacy of various prevention strategies. Participants will develop an understanding of drug safety and quality issues through a review of the literature and case studies. The workshop will highlight the nature and causes of medication errors, the impact on patients, and the differences in causation, impact, and prevention across multiple points of health care delivery. Upon successful completion of this workshop, 2.5 hours of continuing education for nurses (CNEs) will be awarded. The specific hours will be determined by the Alabama State Nurses Association.

Dates/Time: 6/10/2026; 9am – 12pm

Location: Virtual, Zoom
