

A preview of the renovated Library

Proposed Library study area on the second floor

Design rendering from the Town Hall presentation. Final design may change.

Anticipated project timeline

Key dates for the Library closure and return to renovated spaces

DECEMBER 18, 2026	Library tentatively closes
MARCH 2027	Construction begins
SEPTEMBER 2030	Construction completes
OCTOBER 2030	Return to renovated Library spaces

Dates are anticipated and may change as work progresses.

Planned study spaces during construction

341 proposed study seats across three campus buildings

Public Health Academic Building (PHAB)

4th and 5th floors

134

proposed study seats

Student Activities Building (SAB)

1st and 2nd floors

72

proposed study seats

Basic Sciences Building (BSB)

2nd, 3rd, 5th and 7th floors

135

proposed study seats

The Commons also offers space for studying, gathering, and dining.

Temporary study-space availability and Library service details will be shared before the closure. Seating figures reflect the proposed plan.

Library Grove

Proposed first-floor Library Grove

Design rendering from the Town Hall presentation. Final design may change.

Quiet study area

Proposed lower-level quiet study area

Design rendering from the Town Hall presentation. Final design may change.

Event space

Proposed first-floor event space

Design rendering from the Town Hall presentation. Final design may change.
