What Comes Next?

• Faculty Student Association (FSA) will administer the parking program
• Downstate will assign eligible parkers to one of the seven (7) parking locations based on a parking preferences questionnaire.
• Parking preferences questionnaire will be sent to those who currently have parking privileges or previously had parking privileges on the date of the closure of the State garage.
• Those completing the questionnaire will be assigned to a specific parking location based on their preferences, availability and how long they have been parking at Downstate facilities.
Parking Reassignment Process

• Based on:
  • Employees who get parking with their positions
  • Employees with an ADA parking accommodation
  • Employees who work the evening shift/overnight
  • Employees who live at 440 Lenox Road

• Parking Seniority Date – when your monthly parking privileges began at a Downstate parking facility

• Ranking of Parking Locations
Parking Preferences Questionnaire

- Only for those with monthly parking privileges at a Downstate facility either currently or at the time of the closure of the State garage
- E-mail from the Parking Office with a personalized link
- Ability to dispute the parking seniority date – by e-mail or by visiting the Parking Office; documentation is helpful
- Confirmation e-mail after questionnaire submission

**Deadline for questionnaire completion: Monday, December 2, 2019**
