Where Life Begins, Support
Should Never End

Baby-
Friendly
USA

Bringing life into the world should be supported—not overshadowed by risk or inequity.

At UHD, we deliver more than babies.

We provide:

- Compassionate, patient-centered care
- Advanced facilities designed for comfort and safety
- Private, supportive postpartum spaces
- A Baby-Friendly, nationally recognized environment

From pregnancy through postpartum, we're with you every step of the way.

Whole-Person Care, Rooted in Brooklyn

We support every stage of your pregnancy journey with expert, compassionate care.

Services include:

Maternal Fetal Medicine for high-risk pregnancies

Ultrasound and advanced diagnostics

Genetic counseling and testing

Midwifery and natural birth options

Prenatal and postpartum education

Lactation support

Family planning and contraceptive services

Our team connects patients to the care and resources they need to thrive.
