NON-FORMULARY DRUG REQUEST FORM

The policies of the Medical Staff’s Pharmacy and Therapeutic Committee require that this form be completed in full (including appropriate signature) before a non-formulary drug can be purchased and dispensed by the Pharmacy Department. Because it will be necessary to obtain the non-formulary drug from outside the hospital, there may be at least a 24-hour delay in obtaining such drugs. Therefore, an equivalent formulary drug should be considered and used whenever possible. All non-formulary requests are reviewed by the Pharmacy and Therapeutics Committee.

ALL REQUESTS MUST BE ACCOMPANIED BY A WRITTEN PRESCRIBER ORDER FORM
